A United Fund Agency

Protestant Welfare Aided 36 Families Last Month

At a monthly meeting of the Protestant Welfare Association held Tuesday evening at the Free Methodist Church, Mrs. Marie Whittle, office secretary, reported 36 cases involving 171 persons were assisted during January. This includes 16 new, eight recurrent and 12 incidental cases. Referrals were made by citizens, ministers, the Granite City and Venice township Relief offices, an all-male, ADC case worker, Venice police, social worker of St. Mary's Hospital, St. Louis, and an attorney. Forty-five orders were issued with relief distributed as follows: food, \$372; medical, \$17; new shoes and clothing, \$29; utilities, \$140; and rent, \$31, making a total of \$790. Thirty-five were given for clothing and shoes from his store room, estimated at \$153. A bed spring and mattress, a set of dishes, chest of drawers, curtains, a quilt, two spreads and one comfort, valued at \$65 were given and given away. Devotions for the meeting were given by Rev. James Eldridge, host pastor, and President Leonard J. Crockett presided. The reports of the secretary and treasurer were given by Mrs. Irma Taylor and Mrs. Mary Simon. Glynn Hodge gave a financial report and a memorial service was conducted by Mrs. Taylor and Rev. Frank Pierce for Arthur Frazier. The speaker of the evening, T. J. Fitzgerald, executive director of the Madison County Mental Health Clinic, was introduced by Mrs. Ruby Foster. The meeting was dismissed by Mrs. Bethel Davis. Twenty-five were present at Tuesday's meeting and announcement was made of a change of the date of the annual banquet to May 1966.

Two Missourians Named to Bi-State Agency Board

Missouri Gov. Warren E. Hearnes on Tuesday named Robert S. Knapp, president of Knapp Monarch Co., an electrical appliance firm, and Morton R. Bearman, an insurance consultant, to the Bi-State Development Agency board. Knapp replaces Donald V. Fraser and Bearman succeeds Edwin J. Spiegel. Both appointees reside in Ladue. Knapp will serve until November 1966 and Bearman until November 1967. Fraser, retired chairman of the Missouri-Kansas-Texas Railroad, had been appointed to the board in September by Gov. John M. Dalton but the Missouri Senate never confirmed his appointment. The term of Spiegel, director emeritus and advisor, Crown-Zellerbach Corp., expired in November. Bearman is a former Bi-State commissioner, serving from 1955 to 1960. Other Missouri commissioners of the agency are Edwin M. Clark, Southwestern Bell Telephone Co. president; D. Richard Adams, St. Louis Carpenter's District Council business manager; Alvin C. Sundry, W. J. McFarland, chairman of General American Life Insurance Co. and treasurer of the agency; Illinois commissioners are C. E. Townsend, Press-Record editor and publisher, who is acting chairman of Bi-State; Herbert S. Wilhelm, executive secretary of the East St. Louis Central Labor Council, board secretary; Edward J. Delmore Jr., Coxeville real estate developer, assistant treasurer; W. R. Benfield, retired senior vice-president of Alton First National Bank & Trust Co.; and Roy J. My Waterloo, State Farm Insurance Co. agent and president of the Illinois Underwriters Association. The second project, at a cost of \$4,665,000, is located on Interstate 70 and U.S. 40 and includes 3.78 miles of pavement on Interstate 70 from approximately four miles northwest to 2.5 miles northeast of Troy to three-fourths mile east of Illinois 4; and 3.32 miles of pavement on Interstate 70, approximately three miles southeast of Marine, including four ramps on the interchange with Illinois 143, Cost - \$4,665,000. private contract, and that there still would be criticism if the city resumed the trash and garbage collections with fewer men.

Other aldermen expressed opinions on the size of the department. Alderman Whitman suggested four trucks with three men each for a 12-man operation with the department to be closely supervised by the city. Bartoski added that he doubted if the unions would permit the operation of the department with less than 12 men.

Present Service Satisfactory

The quality of the present collection also was discussed. Moerlied remarked that the private contractor has been doing a good job, and that the city could provide similar service only if there were proper supervision.

Sternberg added that he has found the service under the contractor to be superior to what the city had been giving, and suggested the council proceed with its vote on securing the variety of bids recommended by the Finance committee before trying to reach any decision.

Continuing the discussion, Partney said the work should be returned to Granite City and if not by city personnel, at least by a Granite City contractor. "It can be done cheaper than the \$147,000 we are now paying," he added. Whitner commented that the figures brought out by the committee showed the collection business was most profitable to contractors.

The vote for securing bids recommended by the committee was unanimous. In addition to Mayor Davis, those absent Monday night were Aldermen Norn and Skulsh.

Revelers Entrance Audience In Last Community Concert

By MRS. AUSTIN LEWIS

The 1964-65 Community Concert series came to a close Monday night on a harmonious note of musical excellence, good humor and warm rapport between a delighted audience and excellent performers.

The Revelers Male Quartet, which appeared in the auditorium of Granite City high school, presented to concert members one of the finest evenings of entertainment ever presented in the area.

Each artist is a top flight performer in his own right and displayed his versatility in solo passages, as well as in quartet, throughout the entire program. Their repertoire included a variety of numbers, ranging from fifteenth century English melodies through love songs of Schubert and Brahms. They continued the first portion of the program with well-known songs, chorales, and spirituals from the 1800's.

The second half of the program was devoted to children's numbers and provided an opportunity for the performers to inject some humorous moments in their music. Favorites of the audience included "Brahms' Lullaby," "Drill, Ye Terriers, Drill," and a medley of sea chanteys including "A Rowing," "Blow the Man Down," "Shenandoah" and "Gingerbread Brigade."

The audience continued to call for the performers back for many encores, including Broadway favorites, spirituals and show tunes from recent Broadway hits. After the performance, many of the concert audience went backstage to meet the quartet and receive autographs.

Alderman Partney said an Allen firm builds incinerators and that advice from its engineers should be sought before any final decision is reached. Rutledge added that it was nearly a year ago that the council had asked the mayor to arrange for such a meeting, and now the city is faced with a problem that cannot be solved quickly.

The council again voted unanimously for the motion. The State Air Pollution Board is to meet next Wednesday at Springfield.

MORE ABOUT GC Filing

(Continued from Page 1.)

The Third Ward with the incumbent, J. D. "Smiley" Bergfeld, 2301 Cleveland blvd., to be opposed by Roy "Chicken" Poulos, 213 Benton street.

Unopposed in the Fourth Ward is the incumbent, Paul Rutledge, 3508 Benton street.

Two candidates are filed in the Fifth Ward—Steve Basarich, 1720 Poplar street, incumbent, and Larry Biggs, 3012 Denver street.

For the four-year term in the Sixth Ward, four candidates have filed—Casper Skubish, 2701 Lincoln avenue, incumbent; Richard Fry, 2805 Fortune drive; George Gallos sr., 2804 Warren avenue; and Samuel Shackelford, 2914 Palmer avenue, a former Sixth Ward alderman.

Four candidates also are seek-

ing the two-year term in the Sixth Ward, being vacated by Sandy Pence. They are—Cecil Williams, 3145 Jill avenue; Gerald Parnley, 3221 Willow avenue; Thomas Nesbit, 2807 Warren avenue; and Patrick G. Malcor, 2845 Washington avenue.

4 Candidates in 7th
In the Seventh Ward, four candidates are seeking the post to be vacated by Alderwoman Beatrice. They are Nicholas Poulos, 2522 Madison avenue; Carl Paschoff, 3113 Fehling road; R. E. Robertson, 2807 Benton street; and James Kostoff, 2500 Madison avenue.

In the Eighth Ward there are three candidates—the incumbent, Ford "Fordie" Johnson, 2501 Lynch avenue; Emerald Davies, 17 Terrace lane, a former alderman, and Frank Vesel, 2330 Woodlawn avenue, also a former alderman.

For the top township office, Nelson Hagman, 2708 Saratoga avenue, incumbent supervisor, is unopposed. However, five candidates are seeking the two assistant supervisor posts.

The assistant supervisor candidates are Milton Allen, 2716 Madison avenue, incumbent; Daniel Churovich, 2832 Edwards street; Mike Mejski, 2926 Hardin avenue; Walter J. Emde, 1249 Niedringhaus avenue; and Carl Buchler, 2620 Madison avenue.

The unexpired term of the late Robert Gaughan, assistant supervisor, is not to be filled in the election. The township attorney, William Schooley, has given an opinion that the city council is to fill the vacancy by appointment.

Seeking the office of township tax assessor are Andrew Gasparovic jr., 2150 Edison avenue, who presently is magistrate; James Burton, 3304 Walshaw avenue, and Charles W. Moerlied, 1316 Edwardsville road, a First Ward alderman with two years remaining in his term.

The office of magistrate is to be filled by appointment when Gasparovic's term expires in April.

undertake the reorganization. Any reorganization would be handled by the Community Concerts Service of Columbia Artists Management, Inc., New York City. The representative serving the local association has been Mrs. Peggy Blackburn.

In announcing the conclusion of the concert, Mrs. Lee told the audience Monday night—

"I regret to tell you tonight that this is the last Community Concert to be presented by your Tri-Cities Association. At a recent meeting, the board of directors voted to put the association on an inactive basis."

"This decision was made after several years of trying to stimulate in every way known a more active membership. We have always had successful campaigns with 700 or more members, but the attendance at the concerts has been pitiful."

"We could only conclude that too many memberships were purchased either out of desire for backing something that was good to have in our community or out of friendship for the persons selling in the campaign. We feel the choice of concerts during the past 12 seasons has been not only good but diversified in accordance with the aim of the association to provide good music."

"If the association is to be reactivated in the future, it will depend on the efforts of many more people like you," Mrs. Lee concluded.

The association's retiring officers are—Mrs. Lee, president; William Johnson, vice-president; Mrs. Terry Francis, drive chairman; Mrs. Austin Lewis, publisher; Mrs. Joan Kohl, secretary; Thomas Maher, treasurer, and Warren Simpkins, concert chairman.

day notice to stop open burning at the dumps, was "ridiculous."

He said the board never contacted the city to see if anything had been done, and that commissioners could have learned that Madison does not burn its garbage.

He said it would be easy to comply with the order to discontinue the open fires, but the result would be that paper and trash "would fly all over these beautiful highways and the dumps would become infested with rats."

Out-of-Town Firms

There was no problem until out-of-town firms began dump operations in the same area, principally to accommodate St. Louis. Mayor Maestas said. He contended that Madison's share is minimal. He also said that Madison does not burn its garbage.

He commented that the most serious air pollution problem is caused by automobiles, but that the state is doing nothing to abate this. He noted that local industries which discharge large amounts of smoke and gases have been working on the problem for some years.

The mayor was critical of Clarence W. Klassen, technical secretary of both the state air and water pollution boards, on his methods and opinions.

Sympathetic to Public

He noted that at a recent meeting on water pollution in Springfield, he explained that a delay in developing facilities was caused by determining the least expensive and most economical operation in the interests of taxpayers.

The mayor quoted Klassen as stating that the city officials were "too sympathetic with Mr. John Q. Public." Maestas added that "no elected official would ever dare say anything like that. This is what we have to contend with. If we complied with that order, it would be worse than the long snarl around those beautiful highways."

Alderman Ray Kozielek noted that burning does not only on certain days and at certain times, that the city operates a large tractor to cover the debris and that if the state board "made any kind of examination whatsoever, they would not have sent that letter."

Mayor Maestas again suggested that Madison could finance construction of a joint incinerator from some of its surplus funds, but that the city would have to charge Venice and Granite City for its use, as it would require a return on the investment. The money now is invested at 3½ percent, he said.

Other Council Action

In other action, the council authorized the Lakeside Nursery Co. to complete the city's tree planting program this season, with the final \$10,000 annual cost to be paid next year.

Referred to the board of fire and police commissioners a request from John Maestas for a three-month leave of absence, due to illness, from the police department. Maestas, recently was promoted to chief administrative deputy in the office of the circuit court clerk.

Approved a request from Veterans of Foreign Wars Post 1300 to conduct its annual Buddy Poppy sales in Madison on May 28-29.

Promotions of three executives in the operating department of Granite City Steel Co. were announced today by Lyle F. Guley, vice-president of operations.

Robert D. McBride, of Edwardsville has been appointed assistant to the vice-president of operations, and Arthur A. Kuhlman of Collinsville succeeds McBride as divisional superintendent of rolling and finishing.

James D. Street of Clayton, Mo. succeeds Kuhlman as cold strip superintendent.

Easter variety gave local Jaycees a glimpse into the behind-the-scenes life of a Playboy Club.

She arrived at a monthly Jaycee dinner meeting in the 300 Room of the Drake Hotel, Twenty-eight members and several guests attended.

Bunny Pattie, who was accompanied by George Patterson, general manager of the St. Louis Play Club Club, described the rigid training requirements and discipline to which each bunny is subject. She outlined the desired qualifications a girl must possess to become a bunny, as good looks, intelligence, ability

to be trained, poise, a good figure and between the ages of 21 and 25.

She pointed out that bunnies received no salary, but work strictly on a gratuity system. She added that most earn between \$150 to \$200 per week.

The club and its bunnies are supervised by a "bunny mother," who doubles as a wardrobe mistress, chaperone and disciplinarian.

For last night's meeting, Bunny Pattie was dressed in a black and white blouse and skirt, interlarded with the bunny crest.

Paul Morris presided and announced the dates for the 1965 Jaycee Homecoming as July 23, 24 and 25, to be held at the Namsok Village shopping center.

**5 Hurt in Crash,
Deputy Suspended**

Five persons were injured, none seriously, when a sheriff's squad car traveling 60 miles per hour struck a car containing three Granite City youths at 7:30 p.m. Tuesday on Route 159 at Maryville. The driver of the sheriff's car was dropped from the force at last temporarily.

The youths were William D. Hayes, 18, of 2522 Angela drive, Donna Isbrecht, 17, of 2301 Aubrey avenue, and Dale Eardard, 16, of 2501 Center street, all of whom complained of pains.

Deputies injured were Sam Noto Jr., Edwardsville, the driver of the squad car, who complained of pains, and Walter Delancy, 70, of Collinsville, who was treated at Christan Welfare Hospital, East St. Louis, and was released the next day.

Hayes' auto was demolished and towed away. The squad car had been in the Godfrey area and was on a call to the Calypso tavern near Collinsville to investigate a break-in report.

Noto said Hayes did not have his left turn signal turned on when the squad car started to pass, while the youth made a contrary statement, according to the accident report. The squad car did not have its red warning light flashing. A state trooper measured skid marks at 90 feet.

None of the disciplinary action. Sheriff Barney Fraundorf noted that this was Noto's second traffic accident with a patrol car in the last two months.

vised that it was the responsibility of the county board only to approve or disapprove the recommendations of the zoning board, with any dissatisfaction party having the right to appeal the decision to the court.

Ford's motion received only five favorable votes, and the board approved the zoning board's recommendation on a voice vote.

The board also approved a recommendation for a special use permit to operate on a tract adjacent to Grandpa's store on Highway 40 in Nameoki township.

Howard Kaseberg of Granite City was reappointed chairman of the zoning board of appeals for a one-year term.

The board stood in silent prayer for 30 seconds to honor the late Robert Gaughan, assistant supervisor from Granite City township. A copy of the resolution is to be forwarded to his family.

April Opening Set For Women's Track

The Ozark AAU's women's track program, based in Edwardsville, will begin 1965 events in April, according to chairman Robert S. Hyten Jr. Hyten hopes to raise funds necessary to place outstanding women athletes in national championships this year. Women athletes may attend an organizational meeting at 8 p.m. Wednesday at the Phyllis Weatly Y.W.C.A., 2709 Locust street, St. Louis.

Wrestlers Seek 21st Title

Sectional tournament championship No. 21 is the goal of Granite City wrestlers in Saturday's meet at Wood River. The Warriors have won 20 titles, the state record, since the sectionals were initiated in 1938. The only non-championship year was 1942-43 when East St. Louis took honors, in 1947 when Champain triumphed, in 1953 when Wood River took the trophy and in 1954 when no trophy was held.

Under coach Bill "Red" Schmitt, the high school has taken the last 11 sectional championships. The state record for consecutive sectional titles is 14, held by Proviso East of Maywood.

Granite City will have the largest delegation (10) of the 27 schools to be represented at Wood River. That is, unless illness sidelines some of the Warriors. Schmitt reported several of his athletes were out of school this week with colds and flu.

The Warriors won their own district tournament last week by outscoring Edwardsville 13-8. They had eight champions and two runners-up.

Starts at 11 A.M. Qualifiers from three other districts will also be among the 96 wrestlers entered. The tourney will start at 11 a.m. Saturday with the semifinals at 2:30 p.m. and the finals at 6 p.m.

Belleville, winner of the Carbondale district over East St. Louis 10-7, will send nine wrestlers. Decatur MacArthur, winner of the Jackson County district with 112 points to Decatur's 90, will send seven.

Jacksonville won its own district with 84 points but qualified just five boys—same number as second-place Springfield Langhiere (77) and one less than third-place Quincy (86). Along with Quincy, Edwardsville, East St. Louis, Decatur Eisenhower and Decatur each qualified six.

According to Schmitt, 31 of last year's sectional competitors return this time. There are 13 repeaters from the Decatur district, and 11 from Granite City but only four from Jacksonville and three from Carbondale.

Those returning include 15 who placed in 1964. Four are champions: 105-pound Carl Edwards of Edwardsville (last year's champion at 95), 112-pound Steve Cavanaugh of Granite City, 127-pound John Contrino of MacArthur (the 1964 winner at 120) and 165-pound Aaron Holloway of Decatur.

In addition, the Warriors' Rich Bledsoe, who won the 103 title two years ago, is returning—this time at 120 pounds.

Bledsoe, scholastically ineligible last year, currently is untested in 24 bouts.

Runners-up back are Granite City Mike Reynolds (103), Jim Valicoff (138) and John Evenden (heavyweight) plus Decatur's Ben Cooper (154).

Five who finished third in 1964 return: Gary Forshee (180) of Granite City, Dave White (95) and Clarence Stowe (154) of Springfield, Mike Ewald (145) of MacArthur and Jess Ramey (133) of Carbondale. Forshee was runner-up in 1963.

Fourth placers back are Charles Gray (154) of East St. Louis and Al Hines (133) of Decatur. Hot spots of contention appear to be 154 pounds, with five of last year's eight entries, and 112 pounds, with four 1964 entrants.

Schmitt sees MacArthur and Decatur as the chief challengers to Granite City's stranglehold on the sectional championship. Those schools finished second and third last year with 47 and 40 points in the Warriors' 69.

Champions and runners-up at Wood River advance to the state finals Feb. 26-27 at Champain.

The complete entry list follows. District champions are listed first.

Rumors Not True, Morrison to Stay

Midst rumors a-flying, football coach Jim Morrison of Granite City high school says it just isn't true.

He has not applied for the Alton job, the coach said emphatically. Since Ralph Main resigned as Alton coach, rumors have persisted that Morrison had been applied to—even signed a contract—for the vacant position.

"I believe this community, school system and football program offers brighter potential than any other place around," Morrison told the Press-Record in his two years at GCHS. Morrison has directed the Warriors to 12 wins, five losses and a tie.

Meanwhile at Alton, the school board is sifting through some 40 applications—none from Morrison.

East Side Defeated By GC Sops 57-52

Playing what coach Dick Harmon called their "best game of the season," Granite City high school sophomores downed visiting East St. Louis 57-52 in basketball Monday night.

Facing the young Warriors were Ben Malotki with 16 points and Mike Hoy with 15. Steve Longwell added 12 and Jim Peters had seven. GCHS made 15 of free throws.

Harmon's squad has six wins and 10 defeats with two games left.

District Officials Named

Tommy Gushfield, Granite City, and William J. Daley, Collinsville, will be the officials for the Venice district basketball tournament, Feb. 25-26, the Illinois High School Association has announced today. James E. Corbin, Granite City, has been assigned to the Vorden district.

Coolidge Enters Semifinal Round

Coolidge's Braves meet the North Thunderbirds of Collinsville at 6:30 tonight in the semifinals of the Collinsville Webster junior high school basketball tournament.

Coach John Tompoff's team knocked off Trimpe of Bethalto 61-53 Monday night in the opening round. The Braves led all the way in watching their seventh victory against 11 losses.

Scoring for Coolidge were Mike Dochow and Jeff Jones with 16 points each, Gary Simpson with 13, Gary Ridenour with 11 and John VanBuskirk with five.

North defeated Rock of East St. Louis 63-59. The third-place and final games will be tomorrow night.

On Tuesday night, Roxana upset Oakdale 60-50 and top-seeded Webster ripped Quinn-Hughes of East St. Louis 85-55. The winners play in the second game to night.

Freeman Averaging 18.1 at Illinois U.

Don Freeman, former Madison high school ace, is averaging 18.1 points per game for the University of Illinois basketball team. He has scored 325 points in the Illini's 14-4 season.

Decision in 2 Weeks

Western Fire Brick Co. May Relocate Elsewhere in Area

Construction of a new plant in operations to one of the companies for Western Fire Brick Co., 16th street and Madison avenue, is among several alternative plans of operation for the future of the company, which is being considered by the parent firm, A. P. Green Co., Mexico, Mo., a spokesman told the Press-Record this week. A decision is expected in two weeks.

J. F. O'Brien, an official of the A. P. Green Co., said several alternative plans of operation are being considered at the present time and that no definite decision has been reached concerning any of them. He said transfer of the plant is expected in two weeks.

\$10,000 Damage Suit Filed Over Rail Crash

A \$10,000 damage suit was filed this week by Edward McKenna of Granite City, locomotive operator at the Union Star and Refining Co. plant, against the Terminal Railroad in Madison county circuit court in Edwardsville.

The complaint alleged that on Oct. 12, 1963, while McKenna's engine was pulling cars on the plant grounds, a TRRA engine, operating on the same track, struck the rear of his train and caused him to suffer severe and permanent injuries. Carelessness and negligence was charged, and a jury trial was asked.

FRIENDS AROUND WORLD TOPIC FOR BROWNIES

"Friends Around the World" was the topic of a meeting of Brownie Troop 884 Tuesday afternoon at Maryville school. The meeting was opened with the pledge of allegiance and Brownie promise, followed by roll call and collection of Brownie gold. Troop registration fees were collected.

The guest speaker was Mrs. Mary Kay Rowden, who taught the scouts Brownie songs and spoke on the scouting program throughout the world. Mrs. Nancy Mercer, co-leader, had prepared a centerpiece using a paper globe and had placed paper dolls dressed in national costumes on the countries where a scout program is active.

The program was held in conjunction with the birthday Feb. 22 of Lord Baden Powell, founder of the Girl Scout movement. Mrs. Mercer also displayed items from other countries, such as a bracelet from India and three small monkeys made from Brazil nuts.

The remainder of the meeting was spent playing games and making paper dolls.

Mrs. Myra Parrish, the leader, reminded the members of a Thinking Day program to be held Sunday at the Madison recreation center. The troop is to attend in a group. The meeting closed with the "Tunnel Song."

Those present were Patsy Butler, Marie Rodick, Judith Lane, Linda Bennett, Vicki Boyer, Deborah Brown, Betty De-

Home From Hospital
Dale Higgins returned Wednesday to his home, 2023 Iowa street, from St. Elizabeth Hospital where he was a patient for several days while undergoing a checkup. He is a candidate for city treasurer.

Driver Flees Scene
An auto driven by Ann Graklanoff of 42 Villa Drive, was damaged at 7:45 a.m. Wednesday at 27th street and Washington avenue, when it was struck by a hit-run car. She told police she had stopped at the intersection when the other car side-swiped hers and continued on.

Derailed Freight Cars Block Line
Repairs were being completed today on a 500-foot stretch of Gulf, Mobile & Ohio railroad track at Waterloo that was torn up Tuesday by derailment of 32 freight cars in a 118-car train that was destined for the Venice

Yards. A derrick from the Venice Yards also was assigned to aid in the work of unjamming the pile of freight cars from which cargo was scattered along the right of way.

The derailment was believed caused by a wheel that became loose on one of the freight cars. Freight cars were piled three and four deep. Cargo, including salt, sugar, aluminum ore and

newspaper was spilled from the cars. There were no injuries.

Railroad spokesmen said the accident occurred at 1:30 a.m. Railroad traffic was rerouted Tuesday and Wednesday on Illinois Central tracks to Cairo while repairs were being made. Work was expected to be completed today.

—GO TO CHURCH SUNDAY—

SMILING APPREHENSIVELY, members of the Madison school district men's basketball team take a practice break to greet Lt. Frank Duiko and Sir Kelly, the Madison police department's canine helper. Team members, from left, are Charles Stepien, Bob Mehlich, John Logan, Richard Brown, William Banks, Charles McCoslin and John Phelan. Lt. Duiko will join these and other school staff members in playing Knox All Stars in a benefit game Wednesday night. Luckily for the dog jockeys, Sir Kelly will not play. Reserved seat tickets, at \$1 each, are on sale at the Madison high school office.

Daughter Arrives
For Michael Townzens
Mr. and Mrs. Michael Townzen of Springfield, Ill., are announcing the birth of their first child, a daughter, Monday at St. Elizabeth Hospital here. The baby weighed six pounds, eight ounces and has been named Wendy Es-

telles. The mother is the former Sandra Lazenby, daughter of Mr. and Mrs. Calvin Lazenby Jr., 2837 Wayne avenue. Before her marriage she was a receptionist in her father's studio, Lazenby Photographers. Mr. Townzen is a radio technician with the Illinois state police in Springfield.

FIFTEEN YEARS AGO, February 16, 1950, the Granite City Press-Record carried the announcement of the formation of a new construction firm—G. H. Sternberg & Company. The years between 1950 and 1965 have seen the company grow and the operating head of the company, G. H. Sternberg, gain the experience and acquire the skills necessary to business success.

At the same time he has kept close to the heart of his community with his leadership efforts in its humanitarian projects.

G. H. Sternberg has become expert in the field of municipal construction and maintenance and has efficiently operated and economically maintained a fleet of automotive vehicles and heavy equipment.

He has gained business administration and management experience in actual business operation and knows how to apply the benefits of the competitive system of free enterprise to governmental operation.

He has acquired financial stability and experience in the management of his own business interests and in being part of the budgeting and financial supervision of Optimist International, the Boy Scouts of America and Eureka College.

G. H. Sternberg is familiar with the problems of education, so important a part of the climate of a community, through his membership on the Board of Trustees of Eureka College and his responsibilities in the curriculum, personnel, financial and humanitarian aspects of education.

He has become an able public speaker with the ability to present the issues of government to the people—the issues of the people to our local, State and Federal Governments.

He has served two years as our Seventh Ward Alderman and has become well informed in the actual operation of municipal government in Granite City. He knows the strength and weaknesses of our form and our method of government and has the business training and experience to increase our strengths and to eliminate our present weaknesses.

The abilities and experience we have discussed have been developed by G. H. Sternberg through hard work and attention to duty, to his family, his community and his business. Now he offers himself and his acquired abilities as a candidate for the office of Mayor of Granite City. No other candidate offers the strength and the record of dedication to duty that G. H. Sternberg offers.

\$1½ Million Suit Against GC Doctor

A \$1½ million law suit was filed Wednesday against Dr. Joseph Pineda of Granite City for Victor Eugene McCarty, a minor, by his father, Bob McCarty, 1727 Edison Avenue, in Madison County circuit court at Edwardsville.

The complaint alleges that on June 17, 1964, when the boy was six, Dr. Pineda performed a circumcision and that during the surgery, the boy was burned by an electrical machine.

The complaint further alleges that the surgery was continued after that infection later set in, and that several plastic surgery operations have been performed since and will be needed in the future.

As a result, the complaint states that the boy has lost his reproduction capability, suffered injury to his urinary system and at scrotum, will be deprived of the enjoyment of a family of his own, will need psychiatric care in the future, will be unable to be gainfully employed and earn a living and will suffer severe personal embarrassment throughout the rest of his life.

The complaint charged that other safer methods of the surgery had been used. A trial by jury was demanded.

Tavern Operator Cited
William W. DeVong, 2011 and Park Taven at 2101 East 20th street, has been cited by the Illinois Liquor Control Commission for tax due, failure to file returns and failure to furnish bond under the Retailers' Occupation Tax law. The case will be taken before the Illinois Liquor Control Commission on Wednesday at Springfield.

BUILT IN 1909, the old car barns at 16th street and Grand avenue are being razed to make way for a parking lot for Granite City Steel Co. employees. S. M. Wilson & Co.

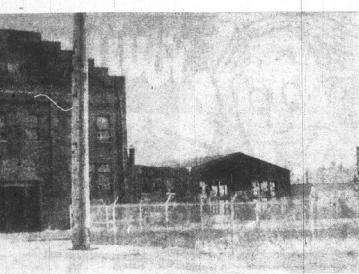

Old Car Barns, Symbol of An Era, Being Torn Down

Dismantling of the old car barns at 16th street and Grand avenue—not used for street cars since the summer of 1908—will eliminate another of the Quad-City's old landmarks as a result of the \$140,000,000 expansion program now under way by the Granite City Steel Co. The area on which the building stands will be converted to a parking lot for steel company employees.

Razing of the building is being carried out by the S. M. Wilson & Co. contractors, which also plans to erect a new \$25,000 warehouse through use of the steel frame structure to be taken from the old car building. S. M. Wilson said his firm has purchased 200 feet of land at 16th street and Cleveland, where the steel frame of the old building will be assembled and rebuilt with corrugated iron siding. The completed warehouse, to be used for equipment and storage by the contracting firm, will be 60x216 feet in size, Wilson said.

The old car barns as they generally are known, was the scene of much activity in the heyday of trolleys and actually were used more as a repair shop for electrical railway equipment of all kinds, than as a terminal barn and dispatching point. At various times some cars were kept in the barn and dispatched from there. In addition to the repair shops, the trainmaster's office and dispatching center were located there, and storage space for tools were on the same property.

The building was constructed in 1909 when the electrical railway equipment in the Quad-City area was operated by the former St. Louis Electric Railway Co. which was part of the building company that also owned the McKinley bridge. The old Illinois Power, Light and Service Co. also held extensive interest in the transportation facilities at that time.

Contractors began preparatory work for tearing down the structure early this week. This view is looking north.

Heart Sunday Fund Campaign Chairmen Named

Alex Duccini, of American Legion Post 113, Heart Sunday chairman, announced today that area chairmen for Heart Sunday have been named for the march on heart disease this Sunday.

Area chairmen named are: Walter Gehling, 2230 Benton street, Nancy Sabo, 125 Briarcliff; Mrs. Louis Sancier, 2925 Fortune drive; Judy Dyer, 34 Villa drive; Sylvia Turner, 208 East 24th street, and Bobby Orasco, 1415 Grand avenue serving for Madison-Venice Post 307 of the American Legion.

Also strongly supporting and working for the Heart Fund drive are the local chapters of Beta Sigma Phi and Epsilon Eta Chi.

Duccini said "The first Heart Fund campaign was conducted in 1948, and since then about 160 million Heart Fund dollars have been channeled into heart and blood vessel research. It is saving thousands of lives."

"For the first time, we are now starting to see a reversal in the cardiovascular death rate applying to the American wage earner. Since 1950, the death rate for men aged 45-49 has declined 74%. Your Heart Fund gifts helped make this possible," Duccini said.

Brownie Troop 73 met Monday with the leader, Mrs. Theima Skelly, co-leader, Mrs. John Wilimirth, and Miss Leslie Ann Skelly, a scout.

The meeting was opened with a flag ceremony, followed by the singing of the hymns, "America" and the Brownsie prayer. Mrs. Stacey reminded the girls of Thinking Day Sunday at the Madison recreation center. The doors will open at 1:30 p.m. with the program starting promptly at 2 p.m.

State Capitol NEWS

PARK ATTENDANCE REPORTED

Illinois Beach State Park in Lake county for the first time, led all the state's recreational areas in attendance. The park had 1,211,343 visitors in 1964 to top Starved Rock State Park and Lincoln's New Salem, perennial leaders in the past.

As usual, the Lincoln Tomb in Oak Ridge Cemetery, Springfield, recorded the largest number of visitors to a state memorial. The tomb had 70,743 registered.

Numerically, the seven conservation areas where attendance records are kept took on added importance as they became developed. Horseshoe Lake north of Cairo, attracted about 130,000 persons. The most popular feature of the conservation areas is the good fishing in their back-water lakes.

RURAL ACCIDENTS UP

Motor vehicle accidents involving a driver who loses control of his car and runs off the road are increasing on rural sections of the state's highway system. A survey by the Illinois Department of Public Works and Buildings, Division of Highways, revealed that this kind of mishap in 1963 accounted for 19% of all accidents and nearly 26% of those causing fatalities.

During 1963 the number of fatal accidents rose by more than 25% above those reported for 1959. Almost 50% occurred on Saturdays and Sundays and local residents were involved in three out of four accidents.

PRODUCE INSPECTORS HONORED

Ten produce inspectors of the Illinois Department of Agriculture Division of Markets were honored during the last week. Each inspector was presented a certificate for outstanding service issued by the Department of Agriculture for "cooperation and effort to improve the program for marketing Illinois' agricultural products." Howard McWard, assistant director of the department, made the presentations.

WATER SUPPLY BETTER

January brought definite relief to Illinois water supply conditions that were near critical lows last fall. Precipitation during the month was much above average throughout the northern two-thirds of the state and most communities received more than twice their normal amount of moisture for the month.

Water levels in ground wells have started to recover, and in most sections these groundwater levels are from about one-half foot to more than three feet higher than at this time last year.

CHOLERA FIGHT PROGRESSING

With the recent entry of Kennebec and North Dakota into Phase II of the four-phase cholera eradication program, 12 Midwestern states have progressed past the preparatory stage of the eradication program. These states contain about three-fourths of the nation's saline population.

Twenty-four states are in Phase II, including Indiana (four are in Phase III and seven have progressed to Phase IV). One state, Vermont, has already been declared "hog cholera free."

WINTER HISTORY

A snowstorm on Feb. 27 and 28, 1965, still ranks as the most severe snowstorm ever recorded in the state. Over three feet of snow fell in 18 hours in parts of western Illinois, and Astoria in Fulton County recorded 37.5 inches in 24 hours, the maximum on Illinois records for one day.

Snowfall highs for one day at some other places in the state include 22 inches at Joliet in 1953, 18 inches at Chicago in 1939 and at Quincy in 1915, 17 inches at Cairo in 1917 and 14 inches at Urbana in 1906.

SCHOOL BILL SIGNED

Gov. Otto Kerner signed Senate Bill 36 into law on Feb. 5, the first bill signed into law during the current session of the Illinois General Assembly.

The new law provides that the school board of any school district providing transportation for pupils to and from school may also provide transportation to and from school-sponsored activities. The bill, which carried an emergency clause, becomes effective immediately.

Fined for Illegal Hunting

Don Hastings, Madison County conservation officer, is continuing his crackdown on shooting of rabbits from automobiles. John Creech, 39, Mount City, was fined \$75 and costs Monday in Edwardsville magistrate court when he pleaded guilty to the violation. He was arrested Jan. 29 near New Douglas.

Junior Girl Scout Troop 267 opened its Monday night meeting with the flag pledge. The troop then separated into patrols for roll call.

A discussion was held on the book sale, kickoff and the Thinking Day program. It was decided to work on toy-maker badges.

The Junior patrol was in charge of games, and songs were sung under the direction of a Senior Scout program aide, Carol Votaw. The meeting closed with a pantomime of the Girl Scout laws.

Those participating were Barbara Votaw, Linda Gram, Debra Mox, Linda Meyer and Patty Wallace. Also present were Leesa Duckworth, Debra Welke, Cathy Duke, Anita Stover, Maria Brook, Debra Bayer, Sharon Duke, Nancy Edwards, Cathy Fowler, Patty Sellar, Lisa Shotton, Marlene Thibet, Cheryl Wall, Sharon Weatherly and Patty McCallum.

FAITH CIRCLE HOLDS VALENTINE PARTY
A meeting was held Monday by the Faith circle of the Free Will Baptist Church, 2312 Charles street.

Mrs. Etta Mae Logsdon offered prayer. Roll call was answered by Scripture verses. The business meeting was opened with the song, "Turn Your Eyes Upon Jesus."

The Pottery project is a yearly sale. Plans for a March project also were discussed. Mrs. Betty Shaffer led the group in closing prayer.

After the meeting, a "sweet-party" was held in the basement which was decorated in a red and white Valentine's Day theme. A large book bedecked in red roses and a cupid with a bow and arrow hung above the door. The table appointments conformed to the Valentine motif. The decorations were admired by Mesdames Janis Arnett and Roberta Milburn. Cupcakes and coffee were served.

A gift exchange was held by Mrs. Eileen Robinson.

Those present were Mr. and Mrs. Harold Ford, Mr. and Mrs. John Ragsdale, Mr. and Mrs. Edward Hindricks and daughters, Jerry and Frances; Mr. and Mrs. Jay Peeler and son, Ricky; Mr. and Mrs. Norman Anderson; Mr. and Mrs. Richard Truchter; Marion Owens, Mr. and Mrs. William Shaw, Mr. and Mrs. Don Parker, Mr. and Mrs. Leon and Martin and children, Betty, Glen and Lynne, Virgil Laxton, Miss Mary Smith and Joe Robinson.

Illinois Highway Office Tours for HS Students
Senior students of the Granite City high school interested in becoming civil engineers have been invited to tour the Illinois Division Highway Building, 9300 St. Clair avenue, East St. Louis, next Thursday from 3 to 5 p.m.

Each of the department's eight bureau chiefs will give short talks on the work of his department for the Illinois Division of Highways in district 8, which comprises 11 counties.

The wives of the Illinois Association of Highway Engineers of the East St. Louis chapter met Monday in observance of Engineers' Week, Feb. 21-27.

Mrs. Fellers Home From Washington Meet, Forum

Mrs. Kathryn Fellers, 2312

Cardinal court, returned home Tuesday evening from Washington, D. C., where she had attended a meeting of the board of administration of the National Ladies' Auxiliary, of Veterans of World War One of the USA.

A banquet was held Monday evening with 1000 in attendance.

Mrs. Fellers, a delegate, attended the Women's Forum on National Security Tuesday.

The forum is composed of 38 organizations whose membership totals more than two million.

One of the main speakers was Mrs. Claire Lee Chennault, widow of the American Air Force general.

The highway commissioner said he had sent a road scraper to the site Tuesday to clear away tin cans, bottles and tree limbs that had been dumped on the road.

The trash was halfway across the road, and this has happened several times, Hanks said.

The dumping area is on the west side of the single set of Illinois Terminal Railroad tracks near the old roadway to the Moellendorf bridge that was removed several years ago.

The area has been posted with no-dumping signs, but the signs have been continually broken by target shooters, Hanks said. He plans to put up new signs.

Persons Dumping Trash on Twp. Rd. To be Arrested

Persons caught dumping trash

and debris along the lake road at Horseshoe Lake off State Aid Route 35 will be arrested, it was announced yesterday by Charles Hanks, highway commissioner for Namek township.

Hanks said he has enlisted the aid of Sheriff Harvey Frankford and State Police Capt. Emil Tufant, whose staffs will patrol the road.

City Hall in GC To be Closed Monday

City hall employees in Granite City will join post office workers and those employed at savings and loan companies in a one-day holiday Monday in observance of Washington's birthday.

Schools will hold normal sessions, along with local banks and retail merchants. Business at schools will also be conducted at the Madison and Venice city halls and the county courthouse in Edwardsville.

The Granite City council will not meet Monday night because of the holiday but instead will meet at 8 p.m. on Tuesday.

Wilson PTA to Meet
Wilson PTA will observe "Founder's Day" with a special program tonight at 7:30, in the school all-purpose room.

The newly organized Junior Merry Mitchell's 4-H club is now in the home of Nancy McKinney on Old Alton road Monday evening.

Marilee Arnold led the American Flag pledge and Barbara Griffin led the 4-H pledge. The members decided to take the "ABC's of food" as their next project.

Ellen Pearson gave a demonstration on setting a table and the girls discussed table manners. Nancy McKinney led a game in song. The next meeting will be held March 15 in the home of Barbara Griffin.

Girls interested in joining the club, who are eight and nine years old, may call the leaders, Mrs. McKinney at TR 7-3718 or Mrs. Arnold at TR 7-4051 for information.

DUAL BIRTHDAYS

OBSERVED AT PARTY

A surprise birthday party was given Sunday evening at the home of Mr. and Mrs. Henry McNelly, 638 Ashland avenue for Gary McNelly, who became 17, and for Sheila Dailey on her 15th birthday.

The party was given by Wayne Strubberg. Games were played and refreshments were served.

Those present were Jan Butler, Shelia Wilson, Shelia Butler, Denny McNelly, Joe Baesques, Fred Fritcher, Ernest Linhart, Mickey Rogers, Pam Dailey, Phyllis Lynn, Tommy McNelly, Jean Howard, Billy Howard, Nancy Young and Theresa Collett.

Arrested After Crash

Julius Tabbs of East St. Louis was charged with reckless driving and leaving the scene of an accident in Madison Wednesday afternoon after his auto struck a parked car at 104 Third street. The accident occurred at 2:30 p.m. Police said the parked car, owned by John Niska Jr., 164 Fourth street, Madison, was struck as Tabbs, headed north on Madison avenue, turned left and lost control of his car. The Niska car was damaged in the left rear and Tabbs' car was damaged in the right front. Tabbs posted cash bail pending hearing in magistrate's court.

PACK COMMITTEE

PLANS BANQUET

The executive committee of Cub Pack 19 met Monday night for a monthly session at the home of Mrs. Bonnie Goodson, 2718 West 20th street.

Final plans were made for the blue and gold banquet to be held at Washington school Monday evening. Also discussed were plans for the March pack meeting.

Mrs. Goodson served refreshments to Mrs. Rena Birdsong, Mrs. Gerry Peters, Mrs. Jewel Weaver, Olivia Gilmore and George Birdsong.

Junior Girl Scout Troop 106 met with the leaders, Mrs. Virginia Koenig and Mrs. Josephine Jung Monday evening in the Washington school cafeteria.

The girls discussed the pledge of allegiance and new songs were practiced. Reports were made on home work and a discussion was held on the cookie sale to start Saturday.

Representatives served Cheryl Brown, Linda Butler, Melissa and Rita Black, Jo Ann Cantwell, Candice Dowdy, Marjorie Debbie Jung, Susan Kiesel, Betty and Linda Lyons, Linda Lindsey, Shannon, Debbie McGovern, Cheryl Medford, Naomi Rudder, Cynthia Tadlock, Sheri Whitford, Raitay Tate and Janet Whitford.

VALENTINE PARTY

Members of a Junior Girl Scout troop met Tuesday evening in the Washington school cafeteria with their leader, Mrs. Rosemarie Lindner. The meeting opened with the girls reciting the scout promise and a law.

The entire troop continued work on badges. Each girl sang a different song and recited a different prayer.

Debra Presley, Christine Hoff, Melane King and Paula Patton each made a scrapbook. A valentine party was enjoyed with refreshments served.

Paula Patton showed snapshots taken during the Christmas holidays and Melane King gave a dramatic reading. Patty Nolen led "Taps" for the closing.

Others present were Sheila Hubbard, Morene Moehle, Tryona Parker, Christine Smith, Rosella Wilson, Nancy Unger and Janet Laswell.

Brownie Troop 109 met Tuesday evening at the community center with the leaders, Mrs. Mary Koenig and Mrs. Virginia Zerlan.

The meeting was opened with the pledge of allegiance and several songs were sung. Each girl received a booklet. Games were played and "Taps" closed the session.

Those present were Evelyn Baker, Darlene Berry, Minnie Brankov, Linda Cook, Kathi Domitrovich, Lucinda Ebling, Cheryl Evans, Pamela Harris, Mary Juhaz, Kathy Keuenhoff, Julie Mendoza, Vicky Petrillo, Barbara Pickett, April Rumi, Vicky Skerle, Barbara Spach and Mary Ellen Zirlan.

BOYS' CLUB MEETS

The Lincoln Place Boys' club met Tuesday evening at the community center.

Michael Gracy called the meeting to order and Bobby Canada and Woody Lovachoff gave reports. A dinner to be held in the near future was discussed.

After the meeting, the boys enjoyed a variety of games. Others participating were Bobby Galvan, Tony Becerra, John and Larry Rutledge, Teddy Domitrovich, Tony Lopez, David Collier, Gregory Nighobossian, Wayne Canada, Harold Thiel, Michael Cook, Allan Schrader, Mark Evans and Barry Jateff.

Laborers Report

Slight Progress In Contract Talks

Slight progress in contract negotiations between striking Laborers Local 397 and the East St. Louis & Interurban Railroad Co. was reported by an official of the union following a session Tuesday with the U. S. Labor Relations Service.

A session is set for 10 a.m. tomorrow. The strike has been under way three months, starting in mid-November following an August contract expiration and the main dispute is over wages.

Tuesday's meeting was held in the water company's East St. Louis office, and tomorrow's meeting also will be held there.

Five Registration Centers Announced

Five special registration centers for voters will be in operation this week in the Quad Cities. It was announced today by Miss Eulalia Horz, county clerk, who reminded Quad Cityans they must be registered to vote in the April 6 township elections.

Tomorrow, a registrar will be at the American National Bank on Fenling road from 4 to 7 p.m. and on Saturday registrars will be at the Bellemeor Village Grocery, 1 to 8 p.m., the JCOP hall on Nameoki road, 10 a.m. to 3 p.m.; the LeW Wright Home office in Venice, 9 a.m. to 5 p.m. and at State Park Drive school, 9 a.m. to 5 p.m.

Trades Council

Endorses Four GC Candidates

Several candidates for city and township offices in Granite City appeared before the City Trades & Labor Council during a meeting last night in the Labor Temple and four endorsements were voted by the 68 delegates.

Those endorsed were Carl Buehler, a barber and trades council delegate and candidate for township assistant supervisor; Thomas Nesbit, also a trades council delegate and a candidate for Sixth Ward alderman, (two-year term); Emory David, a barber and a candidate for Eighth Ward alderman and Albert Ward Jr., a trades council delegate and a candidate for Second Ward alderman.

Referred to the council's legislative committee headed by Ernest Corbin was a bid for endorsement by Edward Churovics, also a candidate for assistant supervisor.

Edwin Reiske, council president, said the delegates also went on record opposing a move by the Mental Health Clinic offices from the present location at Niedringhaus avenue and Cleveland blvd. to St. Elizabeth Hospital's Tri-Cor Medical building, 21st street and Madison avenue.

Those who spoke in support of the clinic were Cheryl Brown, Linda Butler, Melissa and Rita Black, Jo Ann Cantwell, Candice Dowdy, Marjorie Debbie Jung, Susan Kiesel, Betty and Linda Lyons, Linda Lindsey, Shannon, Debbie McGovern, Cheryl Medford, Naomi Rudder, Cynthia Tadlock, Sheri Whitford, Raitay Tate and Janet Whitford.

Thinking Day for Girl Scouts Sunday

Two "thinking day" programs are planned by local Girl Scouts. The first is to be held Sunday at 2 p.m. with Miss Dorothy Hinson of Neighborhood One as chairman.

There will be a program by Cosack dancers from the Russian Orthodox Church and a group of Irish dancers from East St. Louis. The girls are to take objects from other countries for display and other Neighborhoods of the District are invited to attend.

The second "thinking day" will be held Feb. 25 at 9:30 a.m. at the Lincoln Place Community Center with Mrs. Wilma Hancock of Neighborhood Two as chairman. A film strip of the birthplace of Juliet Lowe, founder of the Girl Scout movement, will be shown. Other Neighborhoods also are invited to this program.

Hugh C. Patton, 67, Is Cancer Victim

Hugh C. Patton, 67, of 17 Briardale drive, died in 1965 at Cochran Veterans Hospital, St. Louis, at 9:53 p.m. Wednesday. He had been a patient in the hospital six weeks. Death was due to cancer.

Mr. Patton was born in Wheatland, Iowa, and formerly lived at Coulterville. He was a retired custodian for the East St. Louis school district. He was a world war I veteran and a member of American Legion post 172 at Marissa.

He is survived by a sister Mrs. Edward (Mary) Regner, St. Louis; a niece, Mrs. James (Juliette) Holt, Granite City, and a nephew, Marcel Patton of Granite City.

Funeral arrangements are listed in today's obituary column.

store, made a tentative check and said he believed nothing was missing. A more thorough inventory later revealed that \$7 had been taken from a register in a rear room and a metal box containing \$242 in sales tax money was missing.

Also taken were three cases of whiskey and 25 cartons of cigarettes.

A total of \$850 in cash was stolen Wednesday morning from the office of Placer Warfield, operator of the Warfield Trucking Co., Edwardsville road and Iron street, he reported at 11:30 a.m.

He said he counted the money at 8 a.m. and was going to go to a bank, but he first placed the cash in an envelope in a file cabinet and went to work on a car for about 45 minutes. On his return the money was gone. The cash included a \$100 bill, eight \$50 bills, a \$10 bill and \$30 in twenties.

A small amount of money was taken from cash registers in a burglary Monday night at Leiders department store, 19th and State streets. It was reported at 9 a.m. Tuesday by Eugene Gut, in store executive. All the cash registers in the store were ransacked. Sales were not bothered.

A break-in occurred Tuesday night at the Hope Lutheran Church, 2020 Garfield avenue, and an unsuccessful attempt was made to open a soda machine with a knife, damaging the machine. It was gained by force.

New Fire Station Nearly Completed

The new \$46,700 fire station for West Granite is virtually completed and should be ready for occupancy next week. It was announced today by the fire department.

The striking laborers of the water company have agreed to make an emergency connection so the move can be made on schedule, an official of the union said today.

11 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Lucy Vaughn, 72 Grenzer Homes, Madison; George Marlette, St. Ann, Mo.; Sheldon Perry, Collinsville; Robert Caldwell, 414 Slough road, Venice; Davis Kyan, 135 Garretts Homes, Venice; June Branding, 2808 Yale drive; Loretta Zedek, 3148 Audrey avenue; June Beecher, 3152 Rodgers avenue; Ronald Maples, 2533 Delmar avenue; Gregory Hill, Edwardsville; Christie Hayes, Sylvia, Tenn.

ing a south side window. Nothing was missing.

A 1962 auto, owned by Robert Stoms, 2242 Cleveland blvd., reported stolen at 7:10 p.m. Monday, was found at 7:40 p.m. by residents at 2305 Benton street parked in the alley at the rear.

Donald Cuvier, 2616 East 27th street, reported that his 1964 two-door hard-top auto was stolen between 7 a.m. and 8:30 p.m. Monday from the Granite City Steel Co. parking lot. It was aqua in color.

VALENTINE PARTY FOR SUNBEAMS

Four and five-year-old beginner Sunbeams met at Second Baptist Church Sunday during the morning worship service for a Valentine Day party.

Mrs. Charlene Sanders and Mrs. Arlene Smith led the groups and were assisted by Mrs. Leanne Weitz, Mrs. Sue Leslie and Mrs. Betty Lewis, Sunbeam director.

Tables were decorated with valentine favors and refreshments were served to approximately 20 children.

"Founders' Day" will be observed along with Boy Scout Week at a Logan grade school PTA meeting tonight. Location will be the multi-purpose room of the school.

The PTA executive board has made plans to purchase frames for pictures of U. S. presidents. The displays are to be hung in the Logan school corridors.

David Newberry is the new president of the Pioneer Royal Ambassadors of Second Baptist Church. Current studies by the group include the United States space program. Gifts are being given to a student.

Dr. Bill Richardson Crusader RA's of the church are participating in a home mission study and have presented gifts to a student.

MRS. FLACH ENTERTAINS BIRTHDAY CLUB

The Birthday club met Tuesday at the home of Mrs. Laura Flach, 2339 East 23rd street. Dinner was served in noon.

Those celebrating birthdays were Mrs. Grace Hatching and Mrs. Bertha Kiehl. Games were played and prizes awarded to each member.

Others present were Mesdames Sallie Robertson, Marie Boyd, Edith Smallwood, Robin Castle, Rebecca Castle, Melba Anderson, Inez Niespark, Audrey Egan and son, Billy, Geneva Giesner, Elsie Flack and daughter, Marie, Sandra Payne and Louise Schieff.

World Friend Sunbeams of Second Baptist Church met Tuesday afternoon with their leader, Mrs. Betty Lewis.

The children worked on their World Friends booklets, and prepared leaflets were made. Mrs. Lewis gave prayer and told a story of Alaska.

Those present were Gail Whitworth, Gail Lewis, Julie Whitson, Paula Tadlock, Connie Lindgren, Given Olive, Jackie Weldon.

HOLIDAY FASHIONS combining hair styles with unusual costumes highlighted a show presented early this week at the American Legion home in Venice by the Elite Hairdressers and Cosmetologists. Scenes (left to right) show Sheila Nicholas in her appearance as Miss Fourth of July, complete with stars, stripes and firecrackers, designed by Earl Tucker; Mrs. Julia Dent in a Christmas costume arranged by Mrs. Sara Dulko; and Mrs. Mary Ellen Tell in a Valentine's Day ensemble prepared by Mrs. Margaret Borzoff.

Dennis Reynolds, and visitors Pat Davis and Bradley Crown.

Ona Lee and Maxine Stewart Primary Sunbeams met at Second Baptist Church Tuesday with Mrs. Beverly Crown and Mrs. Bonnie Fennell.

Annie Armstrong banks were made and Miss Fennell told a story of radio broadcast made by Southern Baptists in Ketchikan, Alaska. There were 30 children present.

FRED BILLEY LEADS WSCS BOOK STUDY

The Women's Society of Christian Service of Dealey Avenue Methodist Church met Tuesday evening. Mrs. Minnie King, president, was in charge.

The meeting was opened with the hymn, "The Stranger by the Sea" and prayer by Mrs. Lewis Durbin. The program, "Christ and the Life Within," was led by Mrs. Edith Rhodes.

A discussion and answers to various questions was featured in the program. Mrs. Gladys Pottilo, hostess, Esther Papp.

Those present were Mesdames Minnie King, Mayne Waggoner, Edith Rhodes, Zetta Hornbuckle, Sparks, Benola Blyden, Jean Blumman, Gladys Pottilo, Lottie Sparks, Wilma Amstutz and a guest, Fred Blyden.

MRS. JONES HOSTESS TO SOCIAL CLUB

The Bifttons and Boys club met Wednesday at the home of Mrs. Hazel Jones, 2048 East 20th street. Dinner was served at one o'clock and games occupied the afternoon.

Those present were Mesdames Doris Steward, Dorothy Cox, Lilian Boskay, Esther Papp.

\$233 Of \$2000 Income Tax Bill

Devoted To Interest On U. S. Debt

The federal budget is big and complex but its effect on an average-size family can be described in relatively simple terms.

Study of the new budget shows that an individual paying \$2000 in taxes will be contributing \$964 or 48% of his tax dollars to defense. In addition, he will pay \$22 for foreign military aid and \$50 to further develop the nuclear bomb. He will also contribute \$200 to the veterans' and \$233 for interest on the national debt, which is climbing each year.

The overall proportion for defense and past wars will be only about 66%, compared to 80% five years ago. However, spending for space operations is rising fast; the \$103 cost is seven times more than five years ago, and travel to the moon and Mars still require steadily rising expenditures.

Social programs will cost \$2000 of the \$2000 income tax bill, financing health, anti-poverty, manpower training, education and other activities. Foreign economic aid will amount to \$46, and help to farmers will total \$113. A multiplicity of endeavors, including transportation, recreation and natural resources, accounts for the remaining \$157.

Best guess is that while emphasis will shift within the budgeting years, aggregate expenditures will rise rather than fall, reflecting the trend toward government doing more for the public with the public's money.

The breakdown of the typical tax bill should not, of course, be construed as permitting us to withhold those portions of our taxes destined for uses which we may not favor. Since the 12-figure pie is decided by those whom we elect, we only pay and vote, and more often than not we forget that the two are so closely related.

Cleanliness And The College Student

It is true that greater achievement is expected from current college students, whose courses have been considerably beefed up in recent years, but higher education is still far from being "all work and no play."

Students still seem to have time to engage in Communist-type causes that they must later recognize as the reverse of their actual goals and values. And we note that, at latest count, the marathon shower taking record has been raised to 50 continuous hours, breaking the previous mark of 33 hours. For whatever distinction there may be in the title, Illinois now boasts the best scrubbed student in the U.S.

Time and worry can be saved by not solving problems that never develop.

Dr. SIMS says . . .
SAFEGUARD YOUR HEALTH
A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

PRESCRIPTION FOR YOUR MEDICINE CHEST

Medications can truly perform miracles . . . but if used indiscriminately they can be disastrous. Here are a few tips to protect you and your family from becoming victims of drug poisoning:

1. Clean your medicine chest regularly. Keep only medicines you are currently using. Throw away old prescriptions. Many drugs lose their strength and even change chemically with time.
2. Keep medicines in their original containers, and if you carry pills in a box, identify them with a label.
3. Read carefully the directions on the container.
4. Don't share your prescription with another member of your family. What the doctor prescribes for you may not be good for them.
5. Don't keep medicines near your bed. You may accidentally take an overdose while sleeping.
6. Never take more than one dose unless you are told to do so by your physician. By combining medicines, you may take the same ingredients twice and thus go over the limit.
7. Take special care with medicines that look and taste like food. Children quite often get poisons with these products.

Many modern medicines are out-of-date of children.

Modern drugs are a far cry from the herbs of the 19th century medicine man . . . and MUST be used with a great deal more respect.

Used properly, they can perform marvels of healing. But misused, they can cause serious harm.

This is not an activity that does honor to a civilized society.

Differs From Football

"That professional football is also rough," some of my friends assure me, "do you want to outlaw it?"

By no means. There is no comparison between the two. In the history of professional football, there has not been a single player who has been killed, while every year there are some killed in boxing—poor boys

THE FORUM

Comments on Letter To The Editor:

I see in the Forum of your Feb. 1 issue where one of your contributors dislikes the Chamber of Commerce, the East Side Manufacturers Association and the American Medical Association. In this country, that is his privilege.

But I wonder, does he also dislike the wages they pay, or would he prefer the Roosevelt days when government set standards of conduct are being violated; creates a Board of Legislation?

RECALLS SANITATION CONTRACT BY COUNCIL

To The Editor:

Our city will have an election to fill the city's public offices.

now for our vote on that record. For the mayor's office, Don Hartney possesses honesty, integrity and know-how to go on record like his 10-point program.

Areas Like This Must Lead Fight Against An Excessive Sales Tax

There is a danger that by May or June, the state legislature will have raised the city sales tax from a flat-one cent to one and one-half cent, and the state sales tax from three and a half cents to four cents. The total would thus rise from four to five cents.

Illinois retail merchants predict a major push for such legislation with Chicago in the forefront of the campaign, despite the injurious effect on communities located near state lines. Ironically, most city governments have no actual need for a doubled city sales tax, although history has shown that the bulk of them would be swept along with the tide and would take advantage of the opportunity for more revenue.

Illinois already has one of the highest sales taxes, placing a heavy burden on its border area business firms. If unnecessary increases in the tax are to be successfully fought, it will be up to communities like the Quad-Cities to lead the way.

Balanced Growth Adds To The Attractiveness Of This Area

Census Bureau estimates covering a three-year period show that the Quad-Cities area has a 4.3% population gain, topping the 3.6% increase for the entire Illinois-Missouri metropolitan area. This county now has slightly over a tenth of the area's total population.

With above-average gains in both population and business, Madison county is enjoying balanced growth—the kind of growth that is of greatest benefit to all. The "welcome mat" is out, and is getting rapidly increasing use.

Brotherhood Week Is Every Week In The Year

Brotherhood Week, scheduled for Feb. 21-28, involves much more than a week of religious observance.

The first observance was held in 1934 by the National Conference of Christians and Jews as a single day to draw attention to the need for better human relations. Within five years, one day could no longer encompass the civic and religious activities which came to be associated with the annual event.

Even the confines of a one-week span have become too restrictive to those concerned about the rapid social upheavals following world war II. Our daily lives leave a direct imprint on our generation, and the degree of Americans' adherence to the principles of the United States Declaration of Independence seem an example, good or bad, for all of mankind.

Surely, if freedom and equality are to be given meaning, the practice of brotherhood—the world must look for leadership to its foremost example of democracy, the United States.

Brotherhood cannot be a one-week proposition but a year-round goal. The Human Relations Council currently being formed in the Quad-Cities may prove helpful in making this objective a reality.

The best reducing exercise involves the arms—use them to push yourself away from the dining table.

SIDELIGHTS from SPRINGFIELD
By Sen. PAUL SIMON

Once again in this session the legislature will have an opportunity to vote for or against professional boxing in Illinois.

As a legislator, I have a bad knee or arm but his brains are in good shape.

Any "sport" which inflicts brain damage on 70% of its participants should not be tolerated.

What about amateur boxing? I don't know, but I think it's a good idea.

The proposal which will be before the legislature does not include prohibiting amateur boxing.

If I were a school board member I would not vote to have boxing at my school. But the difference between professional boxing and amateur boxing is the difference between a long and a short fight.

In amateur boxing, the stay in the ring and in the corner is equal. In professional boxing, the stay in the ring is longer, and the stay in the corner is shorter.

Even more significant, in amateur boxing the manager is not allowed to use his influence to get his fighter out of the ring.

There is no question about it: professional boxing is a racket. The interest decreasing.

The interest in professional boxing has gradually been decreasing.

In one of the legislative sessions, I hope we will give professional boxing the final burial it so richly deserves, before too many more punch-drunk boxers walk the street.

This is not a measure which I would support.

But it is probably a measure that tests the moral sensitivity of the society in which we live.

50 YEARS AGO

News From The Files Of The Granite City Press-Record

FEBRUARY 10, 1915

A 15-minute session of the Granite City council, held at the city hall, came near establishing a new record for brevity. Practically no business, aside from the routine case of rules, was transacted.

There are ten aldermen in the city council. Each receives \$3 per meeting, or \$12 per month. At that rate, each alderman—all were present—was paid at the rate of 20 cents per minute. This does not include the salary of the mayor, incidental expenses or other money expended.

Members of Madison Court, No. 106, and Granite City Court, No. 144, Order of Ben Hur, were entertained at the Women's hall in Madison, by a lecture on the book, "Ben Hur," which was delivered by Harry Mitchell, assisted by E. J. McGinnis, a state manager.

After the entertainment, the Madison Court served a luncheon. Several songs were rendered, and the remainder of the evening was passed in dancing.

In spite of the fact that the charity hall of the Granite City police department was given immediately following the inception of the Lenten season, a capacity crowd attended the dance and contributed over \$200 toward the police charity fund.

The proceeds will be used to purchase provisions to be distributed among the needy poor of Granite City.

Chief of Police White, together with Patrolmen Nelson, Stark and Polson, were called to the dance to arrest two men. They were identified by "Doc" Diefendorf, who recently organized the men when one of them recklessly disclosed the handle of a revolver in his pocket. The incident took place at Lauff's hotel. A gun was found on each of them.

The Ladies' Auxiliary of the Brotherhood of Trainmen of Madison, has been organized and will meet on Wednesday evening.

Those elected as officers are Mrs. Lena Sanders, president; Mrs. Adia Conklin, vice-president; Mrs. Emma Scott, secretary; Mrs. Vera Link, treasurer; Mrs. Vera Conklin, conductress; Mrs. Jessie Batsch, organist; Mrs. Ethel Snel, outer guard; E. W. Link, Granite City is committee.

The lodge will be known as Emma Scott Lodge No. 487, the auxiliary of Triple Lodge No. 727.

Mrs. Ralph B. Scott of Venice, who is conductress of an auxiliary, recently organized in a non-lodge, was one of the principal promoters of the Madison lodge. She was assisted by other members, and the auxiliary promises to be one of the strongest in this area.

The following items were taken from the files of the Granite City Press-Record:

FEBRUARY 10, 1940

The Granite City Rotary club is observing International Rotarians' week this week. The club was organized in 1924 with Lou Lindley, then editor of the Press-Record, as the first president.

The late Father D. J. Ryan was vice-president and Ray Wilbur, president of the General Society of Castings Co. here, was secretary.

Those who now belong to the club and who were with the original club of Rotarians in Granite City are Arthur Roman, Carl Graham, Dr. Philip Dale and Lou Wenzler.

Rotary Week will be observed with an Inter-city meeting to be held at the first president, the Madison Rotary club at Granite City. This will be followed by "ladies' night" at the country club Thursday. Members of Rotary will attend services at the First Presbyterian church Sunday evening.

The annual campaign for funds to sustain the Tri-Cities Boy Scout program will officially get underway with a 6:30 dinner at the city hall, Monday evening. The Temple, General Chairman O. E. Hodge will preside and 150 contributions are expected to be received.

The goal is \$4000. S. Attorney Harold G. Baker, District St. Louis will be the guest speaker and, following his talk, B. E. Hohl, chairman of the dance gifts committee, will make a report. Division leaders for the drive are Henry Springer, chairman of the committee; Wesley Leuders, Kathryn Kohlhauf, William W. Johnson, Fred W. Frank, Frank Egan and William Ayres Jr.

A Valentine party was given by members of the Dependable Union of the Venice Baptist church on Sunday evening. The church's Training Union at the home of Mr. and Mrs. Irene Hargrave on Market street, Venice.

Miss Jane Reuss, daughter of Dr. H. P. Reuss, was elected to Granite City, won first place in the porpoise race in a swimming meet held at White Sulphur Springs on Sunday.

Miss Reuss is a member of the Madison high school chorus, is a member of the St. Paul's choir and is the parish choir leader in student activities.

Ladies of the Missionary Society met in the Mitchell Presbyterian church and elected officers for the coming year. Those chosen were Mrs. Roy Sullivan, president; Mrs. Lockhart, vice-president; Mrs. Rolfie Williams, secretary; and Mrs. Blanche Madosh, treasurer.

The Happy Warriors of Granite City high school continued in a tie with Wood River for the top position in Illinois Conference, led by Walpole Bellefield, 42-21 on the latter's first Friday night game.

The Maroons fought hard in the first quarter and then perished with them in the second quarter. The Warriors maintained their pace and in the second quarter Granite City won 13 points against Bellefield.

Andy Philip set the pace for the Bozartmen, counting eight

field goals and a free throw for a total of 17 points. In a non-league game played on the Granite City field on Saturday night, the Warriors won 45-30 against Mike Vernon.

Lester Wolf, 16-year-old son of Mr. and Mrs. William Wolfson of Grand Rapids, Mich., former residents of Granite City, recently organized a non-lodge of Nathan Fishman, won an essay contest sponsored by the Graphic Arts Association. The prize was a trip to Me and Mrs. Community. There were 4000 contestants. Lester Wolfson and his four brothers lived here for a number of years and formerly owned property adjoining 15th and State streets.

Mr. and Mrs. Walter Matthews of Douglas street, Venice, entertained the Faithful Workers class in their home. The time was spent in games and contests.

Those participating were Mrs. Edna Chapman, Mrs. Lee Hargrave, Mrs. Emma Lanham, Mrs. Woodard, Mrs. Jane Walcott, Mrs. Mary Medler, Mrs. Ella McCook, Mrs. Eva Richardson, Mrs. Louis Lanham, Mrs. B. E. Hohl, Mrs. William Ayres Jr., Mrs. Louis Benner, Mrs. M. Martin, Mr. and Mrs. B. E. Baker, Mrs. Jessie Overby, Mr. and Mrs. W. J. Lancaster, who were guests.

The Granite City YMCA Glee Club, composed of young voices conducted by the veteran Professor John Morgan in a brilliant performance, sang at the St. Paul's church. It is the parish choir and the Granado Chorus of St. Louis for first honors in chorus singing. Second honors went to Shurtleff College.

In addition to the \$50 cash prize, the YMCA chorus retained the Senator James J. Davis trophy cup for the second consecutive year. The trophy was presented to the choir by the Senator.

Herin high school again won first honors in the high school chorus contest, defeating the Madison high school chorus, its competitor. It is the fourth consecutive year Herin has taken first place.

Long of Madison won the piano solo prize for children between the ages of 12 and 16. The double major young contest was won by the Granado Chorus of St. Louis for first honors in chorus singing. Second honors went to Shurtleff College.

City's Bill List Includes \$56,642 for Treatment Plant

A bill list totaling \$71,903, including \$56,642 paid to Sheppard, Morgan & Schwab for engineering on the sewage treatment plant and payable from the \$1,225,000 bond issue, was approved Monday night by Granite City council members.

Two bills were eliminated from the list amounting to \$81,178. These were \$68,000 from Illinois Power Co. for a deposit to install gas service at the treatment plant at the Army Depot and \$22,225 for Andrew Gasparovic III for right-of-way appraisals along West Ponton road.

The power company bill of \$89,535 was referred to the Special Pollution Abatement committee for study and Gasparovic is to be instructed to submit an itemized listing of the \$22,225 bill for 21 appraisals.

The engineering bill for the treatment plant includes \$32,750 for surveys, preparation of specifications and contract documents, \$16,332 for construction inspections in December, January and February, \$9,688 for engineering supervision and preparation of monthly estimates due the contractor and \$12,922 for soil borings and foundation analysis for the treatment plant.

Other engineering costs included on the bill list were \$937 retained paid David J. Johnston & Associates for services from Dec. 22 to Jan. 31, and \$1,957 paid to the motor fuel tax engineer, Research, Planning & Design Associates, representing 65% of its fee for preparation of the arterial street maintenance plans.

Street Garage Appraisals
Other items on the bill list included \$30 paid to the Granite City Board of Realtors for appraisals of the city garage, the Hammerman property on the south side of 19th street and the Lybarger property at 22nd and Monroe streets. The city is considering expansion or relocation of the street department garage.

Tri-City Heating & Air Conditioning Co. was paid \$842 to install two gas heating units in the city garage.

For the new West Granite fire station, Henry Ross Construction Co. was paid \$7793, and the architect firm of Gabriel & Pulgeroff was paid \$123.

Expense allowances on the bill list were \$30 for Alderwoman Bettine and \$30 for Alderman Edmund Bartosick and \$100 for Victor Koenig, civil defense administrator.

Big Question Being Asked by Taxpayers

"When will I get my refund?" is one of the questions most frequently asked by taxpayers, Jay G. Philpott, district director of Internal Revenue, said today at Springfield.

An illegible name or address is quite often the reason for failure to receive refund. Thousands of refund checks are returned to Internal Revenue every year because the postman cannot deliver them, Philpott explained.

"It is permissible to sign your name at the bottom of the return the way you always sign your name, even if your signature is a hurried scrawl. But at the top of the return, be sure that your name and address are carefully printed or typed along with your social security number," the director said.

If the taxpayer has moved, he should show his new address to promptly receive refunds and other mail from Internal Revenue. If he moves after filing, a forwarding address should be left with the post office.

Two Excavation Permits Ok'd for Gas Lines

Two applications for excavations by Illinois Power Co. were approved Monday night by Granite City council members.

About 550 feet of two-inch steel pipe gas line is to be installed in the 2800 block of East 25th street starting about March 5, and 60 feet of line is to be installed in the 1600 block of State street to give gas service to 1638 State street. The work is to start March 2.

Navy Giving Tests For HS Seniors

The Granite City Navy Recruiter, Howard Pulliam, announced today that all high school seniors, wishing to apply for the Navy's high school graduation training program may take their mental and physical examinations on March 6, April 3 or May 15.

Arrangements have been made with the Armed Forces Examining station in St. Louis to re-testing open these days for pre-testing applicants. Transportation to and from St. Louis, as well as a free lunch, will be provided.

Participation in this pre-testing involves no obligation to enlist, but does indicate to the applicant the type of training for which he is qualified if he decides to enlist. Information can be obtained by contacting Pulliam at his office in city hall on Mondays and Fridays between 9 a.m. and 3:30 p.m. and on Wednesdays between 9 and 11:30 a.m.

300 Jr. High Students, Parents at Hi-Jinks Day

About 300 Junior high students and parents attended the various activities held at the YMCA during "Junior Hi-Jinks Day" on Linedin's birthday, a school holiday.

The second Junior high student panel discussion was held in the morning and was coordinated by Dr. Manfred Sonstegard and Dr. Raymond Troyer, Southeastern Illinois University psychologists.

Representing the 10 YMCA Junior high clubs on the panel were Gai Taper, Clare Evangelist, Ann Aufheide, Mary Chapman, Lan Earmhardt, Patty Powers, Mike MacMillan, Gary Kinneman, Bill Harris, Pat Fuller and Rick Fosselick.

Mrs. Harry Epstein, chairman of the Junior high adult committee, welcomed the parents and students and introduced the two psychologists and panel members. The last 20 minutes of the round-table discussion was a question-and-answer period.

ELAINE RAUB, daughter of Mr. and Mrs. James R. Raub, 2116 Adams street, has been appointed to the staff of WGL, Illinois State University campus radio station. She will broadcast the Night Show from 8 to 11 p.m. Saturdays. She is a January 1965, graduate of Granite City high school and is an ISU freshman.

Teen Town Study Set for Youths at Centralia Meeting

A day-long shindig for southern Illinois teenagers, including a number from Granite City, is booked into Centralia's community center on Feb. 27, but there won't be any dancing.

More than 100 teenagers have been invited to air problems, likes and dislikes at a special "Teen Center Workshop," and as many as 25 communities may be represented.

Sponsored jointly by the Southern Illinois Park and Recreation Association and the Southern Illinois University extension division, the session is an outgrowth of falling attendance at teen towns and other youth centers, according to SIU's William Ridinger, one of the adult participants.

There's an undercurrent of rebellion and conflict in the teenage group today that seems to reflect in falling attendance at teen centers," Ridinger said. "We hope the teenagers will tell their hair down and talk it out at this workshop."

The morning session will begin at 9 a.m. with the youths to speak openly in an attempt to

SIU Student Engineers Get Diverse Education

Engineering and technological students at Southern Illinois University are receiving more potential science, economics, psychology, biology and linguistics training than previously considered appropriate to such specialized professional education, according to Dean Julian H. Lauchner.

"Today's engineering education must produce engineers who can meet specific needs in the future which at present we may not be able to see," he said.

"Segmented and stratified knowledge will not meet this need," he said. The program is designed to identify their problems, Ridinger said. Then they will break for group discussions in the afternoon.

The windup will be panel form summaries. The conference is the first of a series planned to explore the recreational needs of youth in the area.

Surprise!

Even experienced Cadillac owners find themselves unprepared for the quality of Cadillac performance in 1965.

The car is unbelievably smooth, steady and quiet in operation.

No matter how many Cadillacs you may have owned—or admired—this newest version of America's favorite luxury automobile is a revelation to drive! Cadillac's big V-8 power is so quiet that some first-time drivers find it difficult to believe. With its newly refined Turbo Hydramatic transmission, the flow of power is incredibly smooth. And Cadillac's entirely new frame and suspension tackle the roughest road with such composure you can scarcely sense you're off the turnpike. To complete your driving pleasure, Cadillac for 1965 also provides such exclusive accessories as the tilt and telescope steering wheel that adjusts to your exact desire. If this is your year to enjoy motoring satisfaction in the grand manner, drive a Cadillac and discover what quality performance really means!

GC Toastmasters To Host Spring Meet for District

The Granite City Toastmasters Club made tentative plans Monday night for the annual Spring Meet of Toastmasters District Eight of Illinois, for which the local club will serve as host late in March. William A. Fisher of Highland, Toastmasters' arch governor, was a special guest at this week's dinner meeting held in the Grand Cafe.

Dr. Leo Coleman and Dr. Claude Hiles were named as co-chairman for the affair, which will include a 7 p.m. dinner, followed with various speaking events. Participating clubs will include Highland, Greenville, Alton, Collinsville, East Alton and Granite City.

The public is being invited to attend the dinner and view "the Toastmasters" in action," Dr. Coleman said today. Location of the meeting was set tentatively for Niedringhaus Memorial Methodist Church.

Due to a lengthy planning discussion, the regular program was eliminated Monday night. Next week, the local club will hold its usual dinner session beginning at 6:30 p.m. at the Grand Cafe.

Teacher Exams March 20

Tomorrow is the last day for prospective teachers to submit registrations for March 20 National Teacher Examinations at the SWIU East St. Louis center. Registrations are sent to the Educational Testing Service, Princeton, N. J., and information is available from Southern Illinois University.

Freight Tonnage at Canal Sets Record for January

Freight tonnage passing up and down the river through Locks 27 of the Chain of Rocks canal totaled 2,171,033 tons during January, marking the first time since the locks were placed in operation that freight exceeded 2 million tons during the month of January. The figures included 952,400 tons of freight of all categories moving upriver, and 1,217,755 tons moving downriver.

According to a report by the U. S. Army Engineers, the total freight movement also exceeded the total December volume of 2,088,129 tons, including 1,041,809 tons of upriver traffic and 1,046,320 tons of downriver traffic.

\$53,670 Value For New Building In GC this Month

Fourteen building permits listing values totaling \$53,670 were issued during the first half of February by Earl Bloomquist, building inspector, and City Clerk A. L. Stevens.

One was for a \$30,000 seven-room, 1½-story frame home for W. M. Winter at Miami court and Riviera drive.

Five were for commercial purposes, including one to Christ Kacaleff to install a floor new front, new wiring and a new basement post, plus a new roof, at a store at 1909-11 State street; three to Walter Hundley, 18th street and Madison avenue; Miller's service station, 20th and Adams streets, and Clark's Hardware Co., 21st street and Edwardsville road, for \$1850 electric signs; and the other to Fred in a Brothers Furniture store, Niedringhaus and Delina avenue, to remodel walls in the store, \$290.

Receiving permits for remodeling and repairs were Everett Landers, 2120 Benton street, to make and repair a four-family house; Leo Willis, 31½ Wayne avenue, remodel kitchen, \$2200; Elmer Davis, 2653 East 28th street, repair to roof, \$105; M. H. Wolf, 9 Riviera drive, enclosure and storage shed, \$800; Rev. James Eldridge, general repairs to a church at 22nd and State streets, \$100.

Permits for garages and carports went to Charles Kegan, 2818 Victory drive, garage and driveway, \$1500; and Lucille Graham, 5220 Dodge avenue, carport, \$1000.

Man Fined on Charges

Charles Miller, 40, of 2143 Benton street, was fined \$10 plus costs each on charges of disorderly conduct and intoxication Monday by Magistrate Gasparovic after he was arrested at 2 p.m. Sunday. The complaint was signed by Thelma Smith.

Codes Intended to Ban Nuisances--In Advance

By Norman Johnson
SVIU Community Consultant

The code enforcement official or inspector for buildings and land use control is, in effect, a policeman. In Europe, this service is often conducted by the police department; in this country, it is usually attached to the engineering, planning or health departments, but it still remains a function of police power.

That is, the prohibition of public nuisances and of such private use of property as endangers health, safety, morals, etc., is the intent of this sweeping governmental power.

In more recent years, it has become a far more positive means of regulation before injury to person or property than was true in the past. The police power is the real source of strength from which development and enforcement of building, housing, zoning and assorted other codes is derived.

Development Traced

Direct development of present law may be traced through the Romans, the English and then into the American colonies. As Roman law formed the basis for English common law, so also did the English common law form the basis for American legal practices or jurisprudence.

Though the colonies were not usually bound by building and land use controls passed in England, most of the procedures—both legal and structural—were embodied within the people who settled here. Many lawmakers and their relatives spent time in colonial posts of government and brought these laws with them. Powers of control or regulation were delegated to "surveyors" (fire marshals) both here and in England, most often in the same manner.

Even in New Amsterdam (New York City) during Dutch rule,

men were appointed to visit buildings on a block-by-block basis as early as 1664. The purpose was to learn many things such as locations and conformity with a "lot-and-block" plan or zoning ordinance.

Construction Standards

The sheriff's office has been the source of police power delegation in a historical sense since the feudal system of England. Nobility established the sheriff service not only to protect the estate from poachers and outlaws, but to collect taxes and to see that standards of construction and maintenance were enforced.

The same type of regulation process evolved through French common law and arrived in the new world through French holdings—for example, the New Orleans fire prevention and building code of 1795.

Restrictions as to how, where and what kind of structures may be built are commonplace in all western societies today. To a great extent within this country, these developments can be directly attributed to the more liberal philosophies embraced by the courts.

Social, Economic Change

When one realizes that, as recently as 50 years ago, the majority of the nation's population was rural and is now some 70% urban, it became obvious how tremendous a social and economic change has occurred.

For an example of the specific problem within the urban or built-up areas of the United States, almost 20% (1 in every 5 dwellings or some 12.6 million units) were found to be dilapidated or deficient in plumbing facilities, according to the cen-

sus figures in the 1956 National Housing Inventory.

Because of this accumulation of slums or blight and people's inability or lack of desire to improve this situation, most governmental levels have expanded their tools or weapons to attack the problem. The courts are simply the arena of public conflict for the problems brought them.

Remember, it is one of man's unique abilities to control his environment that separates him from others of the animal kingdom, but he still must exercise this power if he is to do the improving.

Public Interest

It is government's responsibility and duty to protect the public interest and right here, at this point, the conflict becomes very real—that is, which is of greater importance, the private right or the public right?

This is especially important when the private right is supporting a slum that harbors and gives refuge to disease, crime and other public ills.

The courts have, in most instances, said that in this area of codes and the problems that are

embraced by them, the public interest is the most important. They have, though, hastened to also say that wherever possible, the individual's rights or liberties must be protected from persecution.

Therefore, under the general police power of each of the several states, local government is delegated the ability to make such regulations pertaining to control of land and improvements within its jurisdiction (area of power); to inspect for code compliance; and to promulgate (make or proceed with) such legal action as to satisfy this power in the public interest.

No window post.
No floor hump.
No radiator.
No power steering.
No power brakes.

(Some of the things you don't get in a Corvair are among your best reasons for buying it.)

'65 Corvair Monza Sport Sedan

Corvair by Chevrolet

The beauty of it, of course, goes deeper than the things you don't get. There's the other side of the coin—what you do get in their place.

Take the no window post, for example. What you do get is hardtop styling—with curved frameless side windows—in every Corvair closed model. Even the lowest priced coupe or sedan.

The transmission and driveline hump you don't get means more foot room for both front and back-seat passengers. Thanks to Corvair's rear engine, the floor is practically flat.

No radiator—the engine's air-cooled—also means

no water, no antifreeze and no hose leaks to worry about. All of which show up in the plus column in the form of repair and wintering bills you don't pay.

Power steering? Power brakes? Corvair needs them like a centipede needs crutches. With most of the engine weight on the rear wheels, the front ones are free to steer easily. And stops are quick and sure. Come down and discover the difference.

Drive something really new—discover the difference at your Chevrolet dealer's

Donald R. Hoelscher Re-Enlists In Navy

Donald R. Hoelscher, commissaryman third class, son of Mr. and Mrs. George R. Hoelscher, 112 Central avenue, Mitchell, recently re-enlisted for a second tour of duty with the U. S. Navy. At present, he is attending advanced commissary school at the San Diego Naval Base.

Previously he had served for two years aboard the flagship USS Eldorado, and returned home in December after nine months sea duty in the China Sea and Viet Nam area. While aboard the Eldorado he was CPO cook.

A graduate of Granite City high school, Hoelscher was in business with his father at Hoelscher's Market, Pontoon and Nimick roads, before entering the Navy in 1961. His wife, Carol and daughter, Pam, reside in El Monte, Calif.

RC Cola Reports Sales Trend Still Favorable

In a regular monthly meeting at the company's headquarters in Columbus, Ga., Monday, the board of directors of Royal Crown Cola Co. declared a quarterly dividend of 12 cents per share of common stock, payable April 1 to stockholders on record March 15.

Payment of the dividend will mark the 107th consecutive quarterly dividend paid by the company. W. H. Glenn, president, told the directors that sales this year are off to a good start, with a substantial increase recorded in January and the trend continuing in February.

Trailer Trucks Collide

A tractor-trailer truck driven by Chris Disselhoff, 30, of Cayo Falls, Ohio, was damaged in the left front at 5:40 p.m. in a collision with another tractor-trailer truck on a parking lot at Market street and Broadway in Venice. The other truck, driven by Lawrence Jones, 58, of Terre Haute, Ind., was undamaged. Police said the collision occurred as Jones was driving his truck into the parking lot off Broadway.

Practical Nursing Exams in March For Next Course

The F. W. Olin Vocational School of Practical Nursing is accepting applications for the next course, which will begin June 3, at St. Elizabeth Hospital. A spokesman said today in calling attention to the continuing need for practical nurses.

Pre-entrance qualifying examinations will be held on Tuesday, March 10, 23 and 30, beginning at 8:30 a.m. Men and women between the ages of 18 and 35 who meet the physical and educational requirements will be considered.

The course is one year in length, and graduates are eligible to write the State Board Examination for licensing as practical nurses. Those wishing to take the pre-entrance examination may call HO 2-0093 or write Virginia Sweetser, Coordinator, F. W. Olin Vocational School, Alton, for an appointment.

Cooperating hospitals besides St. Elizabeth are Alton Memorial, St. Anthony's and St. Joseph's of Alton.

Theory, Practice
The course consists of 17 weeks of theory and practice, Monday through Friday from 8:30 a.m. to 3:30 p.m., followed by 32 weeks of clinical experience (40 hours weekly).

Room, board and laundry are furnished by the student. Tuition, including books and laboratory fee, is \$75 and related costs for uniforms, tests, etc., total about \$40.

Completion of two years of high school is necessary if the applicant was born after July 1, 1926; otherwise, the requirement is completion of the eighth grade.

Sacred Heart Pancake Brunch, Hat Show Sunday

Final plans are being made by the Holy Name and Altar Society committees arranging a hat show and pancake brunch at the Sacred Heart cafeteria Sunday. Men of the Sacred Heart Catholic Church parish will serve as cashiers and the ladies will serve the meal. The menu will include pancakes, sausages and apple sauce.

Madison High Band To Present Concert At 8 This Evening

The Madison high school band will present the second in a series of three concerts at 8 p.m. today in the school auditorium. William Ledbetter, band director, will be the conductor.

Featured on the program will be a French horn quartet and a baritone horn trio. The quartet, composed of Olivia Hamilton, Vera Sabo, Marianna Fisk and Beverly Bosworth, will play "The Four Horsemen." The trio of Tom Williams, Nola Barham and Stephen Shipcoff will play "Aurora."

"Americans We" and other light selections. All proceeds of the concert series go to the uniform fund, started more than a year ago by the Madison Band Parents club. In addition to various fund raising projects by the club membership to finance new uniforms, local clubs and organizations have contributed to the fund.

\$153,000 County Sales Tax Total in 11 Months

Madison county's share of the unincorporated area sales tax amounted to \$153,000 for November. It was announced this week. Gross collection was \$14,500, with \$106 of that protested and \$568 deducted to meet administrative costs at the Illinois Department of Revenue in Springfield. This increases to \$153,344 the total for the first 11 months of 1964, and to \$822,394 the amount returned to Madison county since the half-cent-a-dollar tax went into effect in October 1959. Through the first 11 months of 1963, the figure was \$156,418.

High School Group to Tour Europe This Year

A teenage trip this summer to Europe, including London, Paris, Geneva and the two Berlins, is being announced by the Southwest (Chicago) Suburban YMCA. Oak Lawn, Ill., which has vacancies for Quad-City high school students.

Southwest is the only "Y" in the United States eligible to send a delegation to the 1965 teenage conference at Castle Mairau, Germany, operated by the YMCA World Alliance. Participants must have completed their sophomore, junior or senior year of high school by June, and travel dates of July 12 to Aug. 15, have been chosen.

Four adults will accompany the group, and the package cost for travel, housing, meals and insurance will be \$950. Plans call for exploring major cities of Europe in small groups, using public transportation, talking to native Europeans, viewing interesting places and living and eating in public accommodations. Five days will be spent with teenagers from Benelux countries in a Holland recreational camp, and nine days will be devoted to discussions of world issues and teenage concerns.

Treatment Plant Financial Report

A monthly financial report for Granite City's sewage treatment plant, under construction at the Army Depot, was presented to the city council Monday night by Comptroller John Doehner.

The fund on Jan. 31 had a balance of \$1,210,809 of which \$60,809 is in a checking account and \$1,150,000 is in a certificate of deposit at First Granite City National Bank.

In the sale of the \$1,210,000 revenue bond issue, the city received \$1,244,921, and disbursements have amounted to \$61,200 for the fiscal agent's fee, \$23,305 interest cost, \$867 rent paid to the U. S. government, \$1514 for construction and \$2500 for legal fees.

At Monday night's session, the council also approved bills totaling \$54,642 for engineering services for the treatment plant.

New Police Cars Will Have Power Steering

Authorization was given Monday night by Granite City council members for bids to be sought for seven new police patrol cars. The specifications will include power steering.

Police committee chairman Samuel Whitmer said six of the present cars will be traded in. He added that each of the present patrol cars has been driven over 45,000 miles and repairs bills are beginning to increase.

Laclede Steel Co. 1964 Earnings Down

Record shipments, but a sharp drop in earnings for the 1964 year were reported last week by Laclede Steel Co. The company reported sales of \$79,456,938 compared with \$75,682,217 the previous year.

Earnings, however, amounted to \$806,094 or \$3.91 per share for the year, against net income of \$2,484,737, or \$12.10 per share a year ago.

W. M. Akin, president, said the decrease in earnings was due to the number of factors occurring during the year but principally during the last quarter. Customer requirements during the year exceeded the company's steel capacity and necessitated purchase of a considerable amount of steel at prices substantially above production cost, he said.

Local Men Participate In Retaliatory Strikes

Fireman Apprentice Philip L. Lance, USN, son of Mrs. Mina E. Lance, 4407 Kirkpatrick Homes, and Seaman Apprentice Dennis L. Kelley, USN, son of Mr. and Mrs. Daniel M. Kelley, 1810 Madison avenue, recently participated in the retaliatory air strike operations against North Vietnam while serving aboard the aircraft carrier USS Hancock.

The U. S. Seventh Fleet in the South China Sea.

Navy aircraft took off from the aircraft carriers USS Ranger, Coral Sea and Hancock. Of the carrier aircraft, 99 attacked Communist barracks and staging areas near Dong Hoi about 100 miles north of the border between South and North Vietnam. Pilots reported seeing heavy fires and smoke and substantial damage to military targets in the area.

GC General Fund Has One-Month Balance With 3 to Go

Granite City's general fund disbursements in nine months of the fiscal year have averaged \$107,000 a month, and the Jan. 31 total balance for the 17 accounts was \$141,671, indicating the city will have to rely on its reserves in special accounts for routine operations in March and April.

Total disbursements for the nine months were \$968,416, according to the report submitted to the city council Monday night by Comptroller John Doehner and City Treasurer E. R. Rich.

The top special accounts are sales tax with a Jan. 31 balance of \$443,542, and parking meters, \$86,500. Disbursements from the two special accounts in the nine-month period have amounted to \$18,277 from parking meters and \$1153 expenditures and a \$150,000 transfer from sales tax to maintenance of sewers.

The nine-month financial report showed three general fund accounts with deficits—the street department with \$213,149 expenditures and a \$26,688 deficit; sanitation department with \$126,080 disbursements and a

\$6133 deficit, and school crossing guards, \$6198 disbursements and a \$3584 deficit.

Disbursements, Balances
A breakdown of the other general accounts showing the nine-month disbursements and Jan. 31 balances follows:

Fire department, \$224,746 and \$10,417; water, \$13,316 and \$8502; lighting, \$15,837 and \$8931; pumping station, \$327 and \$3937; general government, \$66,740 and \$7787; city hall, \$19,691 and \$2523; police department, \$206,830 and \$17,847; inspection department, \$19,580 and

\$2052; election, \$25 and \$4043; interest and judgment, \$11,496 and \$2877; contingent, \$13,846 and \$2058; tax commissions, \$19,870 and \$103,569; city planning, \$2006 and \$1626.

The city special accounts showed total disbursements of \$741,461, leaving a balance of \$741,461.

A similar breakdown for the special accounts follows:
Municipal Retirement, \$23,948 and \$21,610; working cash, none and \$133,968; parking meters, \$18,277 and \$86,500; police pen-

sion, \$28,224 and \$17,289 with \$39,418 invested; firemen's pension, \$25,583 and \$22,325 with \$19,731 invested; public library, \$64,782 and \$89,503; arterial street maintenance, \$79,506 and \$8280; unclaimed rebate, none and \$21,538; civil defense, \$4458 and \$1119; sales tax, \$1153 and a \$150,000 transfer, leaving \$443,542; maintenance of sewers, \$12,800 and a deficit of \$98,584; southern extension sidewalk paving, none and \$881; special street fund, none and \$27,916; motor fuel tax fund projects, \$213,208 and \$14,972.

Fire Hydrant Request

A request for a fire hydrant to be located on Maryville road south of Stratford lane, submitted to the city by the school district, was approved Monday night by council members. A resolution calling for the water company to make the installation to be prepared. The hydrant will be near the site of a new elementary school to be built.

Tax Refunds Available In U. S. Savings Bonds

Taxpayers again can take tax refunds in U. S. Savings Bonds, according to Henry D. Karandjoff, savings bond chairman for Madison County.

The savings option, introduced in 1963, is in addition to the two standard options of taking tax refunds in cash or applying them to next year's tax. Taxpayers taking their 1963 refunds in savings bonds accounted for more than \$19 million in bond sales and acquired more than 240,000 individual bonds.

"All it takes is a check mark on Line 21, Page 1, of Form 1040, or Item 11 of Form 1066," Karandjoff said. "When your mark is made, the rest is automatic. For example, if you're entitled to a refund of \$42, you'll get a \$30 face-value Series E bond (cost \$37.50) plus a check for \$4.50."

5 Area Motorists Lose Driving Privileges

One auto license revocation and four suspensions for Granite Cityans were announced this week by Secretary of State Paul Powell.

The license of Doyle D. Miller, 1634 Edison avenue, was revoked for reason of driving while intoxicated.

The suspensions for reason of three violations were for Harold E. Chase, 4917 Mueller street; Robert H. Parks, 1629 Ferguson avenue; Edward L. Thomas, 2655 Benton avenue, and Dennis D. Tolbert, 2126 Benton street.

'Corrosion Protection' Topic for AISE Meeting

Kenneth Tator, Coropolis, Pa., will speak on "Corrosion Protection" at a meeting of the St. Louis Section, Association of Iron & Steel Engineers, Wednesday at the Granite City Elks Club.

Tator will discuss, with the aid of pictures, surface preparation techniques and maintenance painting as an engineering approach to lower costs. The program includes a social hour at 6 p.m., dinner at 7 p.m. and business meeting at 8 p.m.

Mid-Decade Census Passes First Test Before GC Council

Restricting of Granite City's legislative wards is the goal of a mid-decade census which was tentatively authorized Monday night by the city council.

A motion to authorize the mayor to proceed with arrangements with the U.S. Census Bureau was approved by a vote of 11-6, but another showdown vote is anticipated when funds are to be allocated for the work. The city must pay the wages and expenses of the enumerators.

The last special session was conducted in 1955 when city officials were dissatisfied with the outcome of the regular 1950 census, and the city showed a substantial gain in population, and got an increase in motor fuel tax allotments which resulted from the population increase.

Proposed by Rutledge
Proposing the new census was Fourth Ward Alderman Paul Rutledge, who served as presiding officer at Monday night's meeting in the absence of Mayor Davis. Also absent were Aldermen Walter Nott and Casner Skubish.

When Rutledge first proposed the new census about three weeks ago, Nott objected, saying the city could lose through a population gain. However, Rutledge said the city's population would have to hit the 50,000 mark before a new state law would take away the local tax collection and give it to the county collector resulting in a loss of over \$100,000 a year revenue in the 2% collection commission.

Rutledge pointed out it was obvious that Granite City had not jumped over 5000 population since the 1960 regular session, and that any gain would again result in added motor fuel tax revenue from the state.

The biggest objective, he stressed is to equalize the population within the city's wards. He recommended the counts be reported by blocks to facilitate the redistricting. Rutledge did not specify a date to start the new count other than during the present calendar year.

5 Wards South of 26th St.
At present, five of the city's eight wards are south of 26th street. The largest ward — the Sixth Ward which includes Kirkpatrick Homes and Anchorage — takes in the East Granite area and a large portion of the Namook area. Also one of the larger wards is the Eighth, which is made up of the northern section of the Namook area.

The only other ward north of 26th street is the Seventh, which also is heavily populated.

The First Ward is composed of the Tin City Park, the almost vacated Behind-the-Mill area and the populated area at the southern extremity of the city. The Second Ward lies east of Edison avenue and south of 24th street and includes a small portion of East Granite.

The Third Ward takes in the downtown area and extends north to 23rd street, while the Fourth Ward includes a portion of West Granite and the area between 23rd and 26th streets. The Fifth Ward takes in Lincoln

Place and the remainder of West Granite.

Discussion of the census was brief. Whitmer suggested that action on the motion be postponed until after May 1, when new officials take office, while Mrs. Berne pointed out redistricting of the wards was long overdue and should be undertaken immediately to complete the job before the 1967 city election.

Keep Away from Pigeon-Hole
Rutledge also pointed out the redistricting has been stalled, and should be started as quickly

as possible so that it is not pigeon-holed and forgotten. He added that steps could have been taken prior to this year's election, but no one pushed the proposal.

Council members have been reluctant to consider redistricting because it could possibly mean some would lose out and their wards either cut up or eliminated. Repeatedly it has been pointed out that four aldermen, those of the Sixth and Eighth Wards, have grave and proper responsibilities than those of the smaller, more compact wards which

were established before the 1949 annexation of the city of Namook. The annexation resulted in adding to the area to the Seventh and Sixth Wards and then later the Eighth Ward was created.

Voting for the new census were Aldermen Donald Parting, Rutledge, Mrs. Berne, Ford Johnson, J. D. Bergfield, Clyde Boyd, William Dallas, Charles W. Morley, G. H. Sternberg, Earl Thompson, and Sandy Pence. Opposed to it were Samuel Whitmer, Steve Basarich and Edmond Bartosiek.

Boy's Wrist Broken When Auto Frame Falls

As an old auto frame was being loaded onto a truck Monday night it fell pinning the right arm of Alan Elsworth, 14, son of Mrs. Beulah Elsworth, 1861 Spruce street. The 14-year-old high school 8th grade student was taken to St. Elizabeth Hospital, where he was treated for a fractured wrist. The accident occurred in the driveway at his home.

Others who underwent emergency treatment Monday, included Lisa Squires, 11 months daughter of Mr. and Mrs. Harry Squires, 1931a Grand avenue,

who fell striking her forehead on a coffee table; Mildred James, 2423 Hemlock avenue, who cut her left index finger on a vacuum cleaner; Doris Jones of St. Louis, who fell and twisted her right ankle and foot; John Spangler, 16, son of Mr. and Mrs. Harold Spangler, 2014 Grand avenue, who struck his forehead playing football; and Joseph Steel, 13, son of Mr. and Mrs. James Steel, 1935 Third street, Madison, who sprained his right ankle while playing basketball at school.

All were treated and released.

Corporation Charter For Thos. Kent & Co.

A new corporation charter was issued this week by the office of Secretary of State Paul Powell to Thomas E. Kent and Co., 2101 Lee Avenue.

The charter authorizes Thomas E. Kent and Victoria E. Kent to own, acquire, develop and sell real property and to subdivide same. The new company lists 300 shares of Class 1 stock with a par value of \$100 per share.

Pay Boosts Ok'd for Clerk and Assessor

Salary increases for the city clerk and township assessor were approved Monday night by Granite City council members. A proposal also was made to boost the pay of the township supervisor.

No mention was made of increasing the \$9000 salary of the mayor. An ordinance to increase the pay to \$10,500-a-year with a \$1500 annual expense allowance was voted down two weeks ago by the council. The present expense allowance is about \$2400 a year.

Under state law, salaries of elected officials cannot be changed during a term of office, and the council is taking the action prior to the April 6 election and the May 1 inauguration of new officers.

Of the officials to be elected in April, the council has given consideration to the mayor, clerk, assessor and supervisor, but no change is planned for the city treasurer whose pay now is \$8600-a-year, (\$716-a-month) with his combined duties as township tax collector.

New Salaries

The city clerk's salary now is \$4200-a-year (\$350-a-month), and the clerk also receives hunting and fishing license fees amounting to about \$3800-a-year or an additional \$317 a month. The new salary will be \$4800 or \$400-a-month plus the \$317 fee average for a total of \$717.

The new salary for the township tax assessor is to be \$7680-a-year (\$640-a-month), up \$480 or \$40-a-month. The pay currently is \$7200-a-year (\$600-a-month).

Proposed for the township supervisor is a salary of \$4500-a-year (\$375-a-month), an increase of \$300 or \$25-a-month. The present salary is \$3800 a year, and the supervisor also receives about \$1000 a year extra for attending county board committee meetings. An ordinance setting the new salary is to be presented for presentation to the council next week.

No increase is contemplated for aldermen who now receive the maximum of \$25 per meeting (\$75-a-month) plus an additional \$30-a-month for expenses. Not all aldermen request the expense allowance.

10 Days for Relly Tar

He also called for a 10-day limit for Relly Tar and Chemical Corp. to sign a new contract for fire protection. The plant on Edwardsville road is outside the city limits, and the firm in the past has paid the city \$100 for each fire alarm answered. The city plans to double the amount, and in past contract negotiations there have been attempts by the city to force the company to annex to the city.

The police department was instructed to keep watch on the 25th street rail crossing for trains that are blocking motor vehicle travel. Alderman Partney said he has received complaints that the crossing frequently is blocked almost daily for periods as long as 35 minutes by Walash Railroad freight trains in switching operations at the 25th street rail yards.

Another crossing complaint was voiced by Bisarich, said a dangerous condition exists at the West Pontoon road rail crossing near Namokel road. "The gates go down when the trains are a mile or more away, and motorists drive around the gates to avoid waiting. One of these days a motorist is going to misjudge and we'll have a serious accident." He asked that the gates be adjusted to shorten the distance.

Diaper Problem in Sewers

Alderman Bergfield called for a study of disposal diapers to determine if they might be the cause of sewer blockages in several locations in the city. There was no indication city department would undertake the study.

Placed on file by the council was a letter from the state highway department giving approval for a one-year motor fuel tax engineering contract with Research, Planning & Design Associates, St. Louis. The contract is

retroactive to Jan. 1 and will run to Dec. 31. The state pointed out regular fees will not be applicable for projects of joint state-city financing where engineering is done on a joint basis.

Absent Monday night in addition to Mayor Davis were Aldermen Walter Nonn and Casmer Slushish.

January Employment Level Jumps 13% Over Year Ago

Employment levels in the Quad-City area during January were 13% higher than they were in January a year ago and are expected to reach even higher levels in March, principally in the manufacturing industries, according to a report released by Malcolm Thompson, manager of the Illinois Employment Service here.

January employment figures for the 65 reporting industries from which statistics are compiled also showed a general increase over those of two months previously, November 1964. The report showed that the biggest share of the increase occurred in the manufacturing industries and that in this category approximately 50% of the jump in employment was in the primary metal industries.

The overall figure for the 65 firms reporting was 19,339 employees as of January, compared to 17,107 employees in January 1964. The report said that on the basis of present trends the figure is expected to reach approximately 19,500 in March. Total number of employees in 26 firms making up the manufacturing category was 15,353 in January, an increase of 1912 over the January 1964 figures of 13,441. A greater share of this increase was shown in a jump from 10,297 employees in six reporting metal industries as of January 1964 to 11,483 employees in January this year, and an anticipated increase to 11,671 by March.

The total of 15,353 employees in the manufacturing industries in January included 1,352 in the field of nondurable goods, and 14,001 in the durable goods industry. In the non-manufacturing businesses, with 39 firms reporting, 3,986 employees were on

Auto Plate Deadline Extended to March 1

Secretary of State Paul Powell announced Tuesday that the deadline for displaying Illinois automobile license plates has been extended until midnight March 1. Under state law no further extension is possible. Powell said, and after March 1 motorists will be subject to arrest.

Powell said his action was based on the fact that this would make it easier for law enforcement agencies in various counties, particularly Cook county, to cooperate in the enforcement of the vehicle tag and license display laws and to avoid any possible confusion as to the deadline. In addition, he said, the new deadline will insure that no person who applied by mail prior to Feb. 1 will be inconvenienced by being arrested and charged with failure to display current plates.

He said he has notified all law enforcement officers by telegram of the date extension. "I know some people will criticize me for this extension," Powell said, "but I would rather take their criticism than have one motorist arrested whose application was received prior to Feb. 1 and who still has not obtained his plates."

Report Two Minor Fires
Burning trash ignited the rear of the garage of George Gogus, 2550 State street, at 4:35 p.m. Monday and caused \$100 damage, the Granite City fire department reported. Firemen also were called to the home of James Clubb, 1641 Delmar avenue, at 9:45 a.m. Tuesday, as an overload on an electrical extension cord caused an iron and the cord to burn out. The loss was set at \$25.

HUGE SEWER TILES (right) to be installed at 16th street and Madison avenue where Granite City Steel Co. is beginning to relocate a major city trunk line of 78 to 90 inches in diameter and also to remove the dual trolley tracks from 16th to 19th street. The city sewer presently is located on the plant's property where a new hot strip mill is to be built. Southbound Madison avenue traffic is being detoured to Grand avenue.

Bypass 2 Bad Sections of Main Trunk

GC Steel to Extend Relocation of Sewer on Madison Ave.

Granite City Steel Co. was praised Monday night by city council members for its plan to extend the relocation of a 78-inch main sewer trunk into the 1900 block of Madison avenue and bypass two sections of the existing line badly in need of repair. Savings to the city will amount to an estimated \$60,000 to \$80,000.

The extension is to be carried out at no cost to the city, and in turn the city will relinquish its easement for the line to be abandoned. The steel mill is contemplating the possible future need for the added expansion of its facilities and the sewer line inside plant property could pose problems. The proposal was accepted by the council.

The sewer is located along the abandoned right-of-way of the extension of Iowa street south of 20th street inside the plant grounds. Under the new proposal the sewer will extend south of 20th street at Iowa street to the mill's property for a distance of 128 feet and then turn west to the middle of Madison avenue. The city will have easement rights along the new sewer.

Work Started This Week
Work on relocation of the sewer trunk from the plant property to the middle of Madison avenue was started Monday at 16th street and is to take two or three months to complete. Southbound traffic on Madison avenue is being detoured on Grand avenue, while northbound traffic will continue to use the busy thoroughfare.

The steel firm earlier had agreed to relocate the sewer line in the middle of Madison avenue from 16th to 19th street and the city in getting rid of abandoned street car tracks.

In turn, the mill will be able to build its new hot strip mill under its \$140,000,000 expansion-modernization program where the sewer trunk presently is located.

City Track Removal Work
The city plans to continue the removal of the double set of tracks south of 16th street to 14th street under a motor fuel tax improvement project. Plans for the project have been completed by the engineering firm of Resch, Planning & Design Associates and have been forwarded to the state highway department for approval.

A representative of the engineering firm said the work could be started as soon as the state gives its approval, but that blacktopping might be delayed because of weather conditions. Also approved by the council was an ordinance dedicating an additional five feet for the alley south of East 20th street. Granite City Steel Co. is adding the five feet to the alley to permit residents and business people along the south side of East 20th street to have easier access to their property.

The alley involved extends from Omaha street for several blocks east to the vicinity of Sherman avenue. South of the alley, buildings have been razed for the steel mill's expansion. Basic oxygen furnaces are to be located there.

Driverless Auto Manages to Crash

A driverless auto conducted a few maneuvers before crashing into the right rear fender of a car parked at the curb at 6:40 p.m. Monday at 2631 East 24th street.

Harold D. Abernathy, 2628 East 24th street, had parked his car in his driveway with the engine running, and as he was making an exit, he accidentally knocked the gear selector into reverse. He fell clear of the car, but it backed across the street and up another driveway, turned east, and still in reverse, continued around until it hit the parked car owned by Thomas Hastings, 4708 Kirkpatrick Homes. There was no damage to the errant auto.

GC Relief, Town Costs Total \$4457

Relief and town fund disbursements totaling \$4457 were approved Monday night by Granite City council members. Of the total, \$3089 was for relief and \$1368 for town purposes.

The relief disbursements included \$1845 for food, \$336 for rent, \$160 for medical care and \$42 for fuel. Administrative costs included \$495 for staff salaries, \$25 for caseworker travel, \$61 for telephone service, \$25 for postage, \$93 for employees' retirement and \$6 for office supplies. Town fund expenditures included \$818 for salaries, \$240 for deputy assessors, \$141 for employees' salaries, \$141 for employees' retirement and \$68 for assessor's office telephone service.

Grand Jury Gets Robbery Case

Two women arrested by Madison police last Thursday night as suspects in an attempted robbery of a motorist and a woman companion were bound over to the St. Clair county grand jury Monday afternoon on charges of robbing a Marissa man of \$2 and his automobile.

The two women, identified as Janice Louise Bates, 24, of 512 Third street, Venice, and Delma K. Ball, 2015 Washington avenue, Granite City, pleaded innocent and denied they had robbed the man, Amos Harris, Marissa, identified them as the women who threatened him with a gun after he had picked them up as hitchhikers on the highway near New Athens, bound him and left him at a roadside near Belleville.

A motorist whose name was withheld reported to Madison police late Thursday night that he and a woman companion had picked up two women near East St. Louis and brought them to Madison where they threatened him with a gun. The motorist refused to turn over his money and the women jumped from the car and left on foot. Madison police later picked the women up in Madison and turned them over to St. Clair county authorities. Magistrate Anton Malcanec of Belleville set their bond at \$5000 each.

Soldier Picked Up

Ellis Stapleton, 20, of 3712 Kirkpatrick Homes, was taken into custody by Granite City police at 1:20 p.m. Monday and turned over to military police as being away without leave from the service.

Rotary Marking 60th Anniversary

The 60th anniversary of the founding of Rotary, the pioneer service club, will be marked next week by the Rotary clubs of Granite City and Madison, both founded during the 1920s.

Presidents Glenn Abernethy of Granite City and Lawrence Palkos of Madison are pointing out that their clubs are part of a worldwide organization of more than 11,800 Rotary clubs and 500,000 Rotarians in 127 countries. Rotary International consists of men of diverse language, religions and political beliefs, but with a common bond in the Rotary ideal of serving others.

"The first meeting of the world's first Rotary club was held Feb. 23, 1905, in Chicago. It brought together the founder, Paul Harris, a lawyer, with three of his business acquaintances: a mining engineer, a merchant and a tailor and a coal dealer."

"In the early days of Rotary, it was agreed that only one representative from each business or profession in the community

would be admitted, a principle of membership continues today," the presidents related.

"As its 60th year begins, Rotary is growing at the rate of one club a day. The phenomenal growth indicates the strong appeal of Rotary fellowship and service to men of different vocational backgrounds."

Rotary's world leader for 1964-65, Charles W. Pettengill of Greenwich, Conn., has focused the attention of Rotarians everywhere on the importance of applying the principles of Rotary in their daily lives. "Live Rotary," he urges members, "in your work, in your relations with youth and in your contacts with people from other countries."

Attention is being called to the anniversary in weekly club meetings, 12:15 p.m. Tuesdays at the YMCA and 12:15 p.m. Wednesdays at the Madison recreation center. Madison Rotarians also have scheduled a "dinner night" banquet March 2 in Belleville.

Madison Teacher, Clerk Resign; Hire Replacements

The Madison school board accepted the resignation of Mrs. Nancy Ebersold, third grade teacher at Harris school, during a short meeting Tuesday night. It becomes effective March 31.

To succeed her the board hired Mrs. Linda Tolman Williams, Granite City, who is to complete work for her degree at the end of the current quarter at Southern Illinois University. Also resigning was Mrs. Sherill Rayner, high school clerk, who said she was leaving because of other responsibilities. Her resignation will be effective Feb. 26. Replacing her will be Mrs. Agnes Feldworth, 1815 Third street, Madison.

The board authorized Wanda Brown, superintendent, to obtain bids and estimated costs for books and materials for the next school year and to make purchases on the basis of quality and price.

Use of Buildings

A statement of policy is to be drawn by the school attorney on the use of school buildings for outside organizations, in regard to liability insurance. A letter was received from the guidance office of the state superintendent of public instruction following a visit to the high school Jan. 25. It referred to the addition of a private guidance counseling office and suggested a followup study be made of graduates to aid in determining the curriculum for future years. More office space for job and service opportunities was recommended.

A report showed student contributions to the March of Dimes totaled \$430, or \$29 more than last year.

A request from county cafeteria employees for a meeting April 8 was approved.

Brown was authorized to fill out forms showing Madison compliance with regulations, assuring eligibility for federal assistance. A monthly treasurer's report showed cash balance of \$21,102 in the educational fund, \$28,623 in the building fund, and \$15,001 in the bonds and interest fund for a total of \$254,888.

The board approved January educational salaries of \$547,424 and adult education salaries of \$481, plus payroll deductions of \$19,934 for a total of \$577,122. School salaries of \$23,239 plus deductions of \$887 for a total of \$22,352; and January bills of \$702 from the building fund and \$3645 from the lunch fund.

Leaving Pet Outside in Cold Shortens Its Life

The life span of many pets has been shortened by lack of protection from cold weather. The Granite City Animal Shelter Committee said this week in urging proper care of pets during the remaining icy temperatures this winter.

"When we see pets surviving and remaining active under conditions which would create acute discomfort in ourselves, we often assume that the animal is just naturally better able to adapt to external conditions, but this may or may not be true," the committee said.

"It has been proven that the adaptation process itself creates stress and represents a drain on the animal's resources, producing damaged kidneys, blood vessel disorders, ulcers of the gastrointestinal tract and even brain hemorrhages. The body must mobilize its resources to adapt to extremes of temperature or to any other source of discomfort. Discomfort means stress, and the effect of stress on the animal's blood vessels and organs is very real and very damaging when the condition is prolonged eventually leading to a painful death after a period of apparent adaptation."

ACCEPTING film documenting story of Granite City park district is F. S. Randall, (foreground) of Southern Illinois University's Morris Library. Standing, from left, are: Milton Allen, Granite City park commissioner; William Rindinger and Loren Taylor, SIU recreation faculty members; and Harold Brown, director of Granite City parks and recreation. The park district made the gift after noting that SIU's Department of Recreation and Outdoor Education borrowed it frequently for teaching purposes.

Cocoa Bean Uses By Nestle Told; Rotary Nominates

Howard Wellman, general manager of the Nestle, Inc., coffee plant here, introduced members of the Granite City Rotary Club to another of his firm's major products—chocolate, at the club's Tuesday noon luncheon held in the YMCA.

He traced the discovery of the cocoa bean to Columbus, who returned to Europe from his famous voyage with some of the beans. However, no satisfactory use was found for them and it was not until Cortez, in the 16th century, learned from the Aztecs how to prepare the beans that they became popular.

Nestle embarked on the manufacture of chocolate in 1876, combining it with a baby food product initially. Since then, chocolate has been one of the company's major products, with two plants operating in this country and a third under construction.

Wellman also exhibited a sound movie showing the harvesting of cocoa beans, their preparation and the various products manufactured from them. Samples were distributed. James Louis, chairman of the Rotary nominating committee, reported the following candidates for office:

William Hoebebecke, president; William Thoeke, first vice-president; Glenn Alenroth, second vice-president; Raymond Ruder, secretary; A. H. Gehler, assistant secretary; Arthur Koepfer, treasurer; Robert Derfler, assistant treasurer; Daniel Smith, sergeant-at-arms; Marvin Henderson, assistant sergeant-at-arms; and Owen Day, Edw. Meng and Harvey Balko, directors.

A special guest Tuesday was Gary Lacunza of Cochabamba, Bolivia, president of the Rotary-sponsored youth Interact club there, who is planning to attend college in this country. He addressed the club briefly in English, which he speaks exceptionally well after only five months of study.

Harold Thomas announced that Diane Kenney, a Granite City high school student, has been selected by the Illinois Heart Fund as first choice from this region for an exchange scholarship next summer at the University of Illinois.

University Pianist Aids Korean Music Program

"It's a small world" is the conclusion of James Wade, Granite City resident, in Seoul as cultural consultant to the American-Korean Foundation, and Miss Ruth Slenczynska, Southwestern Illinois University pianist, artist-in-residence, following a mid-winter tour in Korea, where she has been on a concert tour.

After attending and reviewing her concerts, Wade, Korea Jour-

nal and Korea Times music critic, conferred with Miss Slenczynska on her plan for contributing scores of piano music now lacking in Korea. Cooperation of the Asia Foundation was secured in photostating the music, making it available to Korean music schools and students. The American-Korean Foundation will be responsible for shipping and administering the printed scores. She plans to investigate securing sponsorship for continued cooperation in such a program.

She was acclaimed on the tour as an "artist young in years but old in experience, bridging the gap between the great pianists born in the 19th century and our own day; as a child prodigy before 1950, she stunned Europe and America, and earned the praise of even the reserved Rachmaninoff, who was proud to

In addition to appearing in Pusan, Taegu and Korea, she found time to hear young Korean artists and students, offering advice and encouragement. Her comment was that "the quality of talent in Korea is very high, and the desire to work on the part of the students is greater than in some countries considered more musically advanced."
